Parent Recommendation

We know that it may be difficult to answer all of these questions—please take the time for at least five of them. The information you provide is invaluable, thank you!

What do you consider to be the most important achievements of your child during high school? Why did you select these as important?

Please describe your child in 3 or 4 adjectives or words:

Describe a characteristic or accomplishment that we might not know about—something that won't show up on their activity record.

How has your child overcome obstacles or adversity, demonstrated strength, courage, resiliency?

What are your own hopes/ambitions/fears regarding your son/daughter's college selection & application process?

My child's high school career has been pleasurable/painful because.....(don't hesitate to write about both aspects)

We are proud of our child because....

Describe your family (list other children and colleges attended if applicable)

Parents' education:

Is there anything else about your family (individuals, history, cultural influences, special circumstances) which would be helpful for us to know as we work with your son or daughter?

Think of what you would see as an ideal college setting for your son or daughter. How would you describe it in terms of location, size, competitiveness, programs of study, cost, activities, etc.

No one is perfect! In which areas is your child less gifted (academic and personal)? To what degree is your son/daughter aware of and/or concerned about their weaknesses?

Any questions we should have asked here, but forgot? Is there anything else we should know?
