

Fenwick High School Entrance Exam 2020: Extended Time Requests

Fenwick High School will offer extended time (time-and-one-half) to prospective students. Time-and-one-half will be available for both the in-person exam option and the remote online exam option. Please submit one or both of the following documents:

- Current IEP/504/Official Accommodations Plan from grammar or middle school; and/or
- A student's current (within three years) and complete neuropsychological evaluation.

Documentation should be submitted to Ms. Eleanor Cain, Assistant Principal, by Sunday, November 29th. Due to the current Covid-19 situation we highly recommend scanning and emailing documentation to Ms. Cain at ecain@fenwickfriars.com. As long as our school building remains open, documentation (in hard copy) can also be dropped off at the main office.

After Fenwick has received and reviewed the documentation, prospective students and their families will receive more information about testing procedures on the day of the exam.

We look forward to meeting prospective Friars on December 5th!

Please contact us with questions:
