Switchboard Hours

The switchboard is open from 7:30 a.m.–4 p.m. during school days. It will be closed on legal holidays and some religious holidays. Please refer to the Fenwick School Calendar.

The school rules, procedures and practices in this handbook are subject to change at any time as may be needed to ensure continued compliance with federal, state and local laws and Board of Trustees policy. They are also subject to review and alteration at any time by the administration to ensure the routine operation of the school. The education of a student is a partnership between parents and the school. Just as the parent has the right to withdraw a student, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken.

**2019–2020
FENWICK HIGH SCHOOL
PARENT/STUDENT HANDBOOK**

Fenwick High School

A Dominican Catholic College Preparatory High School

Fenwick is a Catholic college preparatory high school under the direction of the Dominican Friars of the Province of St. Albert the Great.

**FENWICK
HIGH SCHOOL**

Fenwick is a special place because of the dedicated people associated with it. Students, faculty, parents, friends and alumni have all contributed to the excellence that this institution has attained since 1929. Its great traditions continue today because of the high expectations its students live up to, day in and day out.

Fenwick High School abides by all federal and state regulations regarding the confidentiality of student records.

Fenwick High School admits students of any gender, race, color, national and ethnic origin to all the rights, privileges programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, scholarship, loan programs, athletics and other school-administered programs.

MISSION, VISION, AND BELIEF & VALUES STATEMENTS

Mission Statement

Fenwick High School, guided by Dominican Catholic values, inspires excellence and educates each student to lead, achieve and serve.

Vision Statement

Inspired by its Dominican Catholic heritage, Fenwick High School will continue to be a premier college preparatory high school. We empower our students to grow intellectually, spiritually, emotionally, socially and physically in a disciplined and diverse environment. Through this transformative experience, our graduates continue the Fenwick tradition of excellence and serve as compassionate leaders, committed to justice and peace in a changing global society.

Beliefs & Values Statement

Beliefs:

We believe God is known through faith and reason.

We believe every person is created in the image and likeness of God. We believe pursuing the truth fulfills the human person.

We believe in the dignity of the human person.

We believe that men and women flourish through participation in community and charity to others.

Values:

We value the development of the whole person.

We value the practice and development of scholarship. We value life-long learning.

We value spiritual formation in a community of faith.

We value institutional integrity, accountability, and continuous improvement. We value respect for individual differences and inclusive communities.

We value service to others.

Fenwick High School Inclusion Statement

[Approved by the Fenwick High School Board of Directors, June 23, 2014]

With Saint Dominic as their guide, Dominican friars, sisters, nuns, and laity have valued and promoted the diversity found in the one human family, while acknowledging that all people are called to the same eternal destiny in the Kingdom of God. As a Dominican institution, Fenwick High School continues the great Dominican tradition of inclusion and welcome for the common good. This process is rooted in interaction with those of different backgrounds, cultures, and ways of life. Experiencing racial, gender, ethnic, religious and socio-economic diversity enriches everyone involved in the educational enterprise. Fenwick commits itself to welcoming every student who would flourish by embracing our Dominican, Catholic, college preparatory curriculum. Fenwick pledges that no one will face discrimination based on race, gender, religion, culture, ethnicity or sexual orientation. A Fenwick education will be marked by respect and inclusion.

School Tradition

Fenwick High School has a rich history filled with traditions built around its mission and values. Since 1929 Fenwick has developed young people not only to be aware of the religious and ethical dimensions of living, but also to appreciate and reverence the uniqueness of every human person. Fenwick has always emphasized the serious pursuit of study and lifelong learning by adhering to a classical curriculum; it has underscored a sense of community and loyalty while preparing its young people for academic pursuits at the college level and beyond.

Fenwick's mission has remained constant for more than eighty-nine years. We continue to emphasize our traditions and values which are an integral part of every Fenwick student's experience. Excellence and collaborative leadership are important values to be attained in all that Fenwick students undertake in their academic, athletic, and other extracurricular endeavors. The school's administration will assure that appropriate resources are secured to meet Fenwick's goals and to ensure that its mission is adhered to.

To uphold the school's mission, we reaffirm the values of excellence, leadership, and tradition for which Fenwick High School is noted:

We will draw upon our Catholic tradition and the charism of the Dominican Order for meaning and direction in all our efforts and decisions

We will emphasize strong self-discipline in our approach to academics and co-curriculars

We will emphasize service to others and prepare our graduates to live as Christians in the world

We will challenge our students and ourselves with high expectations as we strive for excellence in all we do

We will sustain a first-rate faculty and administration

We will maintain a diverse ethnic and socio-economic population in our student body

Philosophy of Education

Fenwick High School stands for the full and harmonious development of its students according to their capacity. Fenwick's philosophy of education is based on four concepts: the importance of the human person, the Catholic tradition, the Dominican heritage, and the liberal-arts curriculum.

Human Person

The human person, a composite of body and spirit, is accorded unique dignity as the result of being the summit of creation and being formed in the image of God. Human knowledge originates in sensory experience, and human choices are influenced by emotions. The

capacity, however, for intellectual knowledge and free choice transcends these limits.
Catholic Tradition

The Catholic tradition stresses the triumph of grace over sin through the power of the Holy Spirit. Along with a doctrinal tradition founded in scripture, Catholics value continual theological development through dialogue with human history. Community and church are especially valued as they are organized for the service of the Gospel. The Catholic tradition esteems the principle of sacramentality and works on behalf of justice and peace.

Dominican Heritage

St. Dominic, the patron of Fenwick High School, recognized that the intellectual life is essential to the mission of preaching and teaching the Christian faith; consequently, from its founding the Order of Preachers has been associated with centers of learning. This philosophy was further articulated by St. Thomas Aquinas, who emphasized the relationship between contemplation and action, between study and service. As a community steeped in this heritage, Fenwick fosters within its students:

1. A confidence that God can be known through faith and human reason.
2. A realization that knowledge leads one from false values and misperceptions of reality to freedom and truth.
3. A willingness to work in concert with others and to understand better the truth about God, life, and its many possibilities.
4. The courage to act on one's beliefs, turning study and reflection into a life of strong moral character and compassion for others.

Liberal Arts and Sciences

Fenwick prepares its students through an education in the liberal arts and sciences for a lifetime of aesthetic appreciation, assiduous study, and critical thinking. The educational program stresses imagination, analysis, interpretation, and logical, lucid expression while promoting in its students an appreciation of the wholeness and richness of life. This perspective encourages Fenwick students to explore not only fields of personal interest but also the broad range of the liberal arts core curriculum including humanities, science, history, foreign language, and mathematics. Students embark on this exploration not in solitude but in dialogue with others.

Profile of Graduate

In fulfillment of this philosophy, Fenwick High School functions at one stage in the life-long process of human growth. Fenwick builds on the work of the family and the elementary school to prepare the student for the next step in a continuum that extends through college and onto vital membership within society. The Fenwick community, aware of the many dimensions of the human person, creates the following objectives, which ideally should be realized in every graduate:

Person

The Fenwick graduate should reach a level of maturity that reflects self-responsibility for his or her own development. The graduate should demonstrate the habits of self-reflection on life

experiences and be open and flexible to other points of view. Putting forth the effort to live up to one's full potential as a person and the ability to have empathy towards others should also be evident.

Believer

The Fenwick graduate should have a knowledge of the traditions, doctrines, and practices of the Catholic Church and should continue to participate in the sacramental life of the church. The same would be expected of non-Catholic graduates with respect to their traditions, having had the opportunity to reflect on their own religious commitments and traditions against the background of the study of the Roman Catholic tradition. This foundation will enable the graduate to sift ideas and beliefs for insights into truth and accept a personal relationship with God.

Citizen

The Fenwick graduate, in his or her daily life, should act out of a sense of justice and an awareness of contemporary social issues. The graduate, as a concerned citizen, should make choices responsibly when faced with issues of personal freedom and human rights. The graduate should respond to individuals in society free from prejudice.

Scholar

The Fenwick graduate should demonstrate intellectual competence through critical thinking, careful listening, and effective written and oral communication. A Fenwick graduate should respect one's own field of study as well as other fields of study and appreciate learning as a life-long endeavor. Because of these skills and attitudes, the graduate should perform effectively in a career.

Athlete

The Fenwick graduate should engage in a lifestyle of wholesome personal awareness, physical activity, and good nutrition. In sports, as in any activity, the graduate should contribute as a team member and a team leader with enthusiasm and dedication to achieve a group goal.

TRANSPORTATION & PARKING REGULATIONS

Bus Route Services

- South Route- will use the following borders for its service run: Central Avenue (East), 63rd Street (South), and will return to Fenwick along Harlem Avenue (West).
- North Route- will border Foster (North), Cumberland (West) and Austin Avenue (East).
- Lakeview- Lakeshore Drive going East; Diversely going North; I-290 going South

For students taking the Routes:

- Bus routes are annual services for either round trip or one way (AM or PM only for one way).
- Bus passes are purchased online.
- Students with paid registration will determine the bus routes.
- Occasional riders will NOT influence bus routes.
- Every effort will be made to schedule a stop within a few blocks of each student's home.
- Routes will be determined in August.
- Temporary bus passes and copies of the routes will be enclosed in your packet that is picked up in August. Permanent bus passes for the school year will be processed once ID photos are taken. Your ID is your bus pass.
- North, South, and Lakeview buses will arrive before Period 01 and will leave after Period 11.
- Occasional rider bus coupon books are available for students to purchase on Fenwick website. There are 10 coupons in each book. Please bring your receipt for online coupon books to the reception desk to claim your coupons.

The bus rides to and from school, and school activities is an extension of the school day. Students are expected to act in a manner that shows consideration for the driver and for the safety of other students. Student reported for disruption, vandalism or disrespect may be denied bus service and will be subject to school policies regulating similar behaviors.

Shuttle Services

- Western Suburbs (Naperville, Hinsdale, Western Springs, La Grange, etc.): The Metra/Burlington Northern pickup will be in downtown Riverside (AM) and the drop off will be in Berwyn (PM).
- Northwest Suburbs (Wheaton, Glen Ellyn, Elmhurst, Etc.): The Metra/Union Pacific pickup and drop off will be at Lake Street /Marion Street in Oak Park.
- Buses for the Metra Stations will also arrive before Period 1 and will be available after Periods 10 & 11.
- Activity Bus to the Metra stops leaves Fenwick at 5:20 p.m. and 5:50 p.m.

Student Parking Permit Information & Procedures

Fenwick High School S4, SB4 and SB5 Annual Parking Permit

A total of 255 S4 and SB4 permits will be available for sale on a first come first, served basis. Permits will be valid starting August 27 2019, through June 7, 2020. S4 permit parking spaces are available exclusively to students on the street locations listed below from 8 a.m.–4 p.m. Monday–Friday. However, please note that students may park within the S4 on-street permitted spaces starting as early as 6 a.m. on school days, subject to availability of a parking space. After school, students should observe on-street posted regulations (e.g. weekly each Wednesday parking is prohibited on Washington Street from 4–6 p.m. to allow for maintenance activities such as street sweeping or plowing) to determine whether or not permit holders can continue to park their car after 4 p.m. Parking in the off-street

Pleasant Street (Northside) from East Avenue west to alley
Pleasant Street (Northside) Scoville Avenue west to alley

Adams Street (Northside) from Elmwood Avenue west to alley

The description of permit parking locations is provided as a general description of the permit parking locations and **does not** override posted parking restrictions.

Questions may be directed to Fenwick High School by contacting Mr. Jerry Ruffino at 708-948-0318

S4 Permit and Onsite Parking Procedures and Regulations

If a student drives to school, he/she is expected to obey all governmental rules and regulations regarding operation of a motor vehicle and parking.

Due to limit space, Fenwick's parking lot is restricted to faculty and staff during the school days. However, students are urged to participate in the Village of Oak Park's Fenwick Student Hang Tag Program. These hang tags will allow students to park in permitted parking areas. These areas are Permit Parking S4 zones which means, students can only park in areas displaying S4 permits.

S4 Parking Permits

The S4 zones are regulated by the Village of Oak Park. The S4 hang tags may be used from August 24, 2017, to June 8, 2018. Purchased hang tags will be handed out at Packet Pick-up in August.

Non Permit Parking

There is an option for parking if the onsite and S4 parking is not available. The following streets allows non permit parking:

The 400 block of Adams between Ridgeland and Elmwood

The 700 block of Gunderson South of Jackson

The 700 block of Clarence south of Jackson

Rules and Regulations

Student hang tags are color coded and changed each school year; therefore, hangs tags will not carry over from year to year. Any student who does not display the appropriate hang tag will be reported to the Dean. If S4 hang tags are not displayed, Fenwick is not held responsible if the car is towed.

Students are not allowed to park in the Faculty Parking Lot at any given time unless approved by Mr. Ruffino or the Dean.

If a student drives to school, he/she is expected to obey all government rules and regulations regarding operation of a motor vehicle and parking.

Fenwick students are expected to demonstrate consideration for our neighbors at all times. Students should refrain from playing loud music, using foul language, and littering. Due to safety concerns, **DO NOT WALK DOWN THE ALLEY**.

Students will not be allowed to leave the building to move cars for any reason. Students will be subject to pay any and all violations accumulated due to parking violations including towing expenses if applicable. Failure to report a vehicle or to observe these rules may result in one or more of the following:

- Student will receive 5 detentions and 5 demerits (first offense)
- Student will receive 10 detentions and 10 demerits (second offense)
- Student will have hangtag revoked and collected. (No Refund Issued)
- In some instances, a vehicle may be ticketed or towed at the driver's expense

Please discuss procedures with your students should they be involved in any vehicular accident.

ACADEMICS

Graduation Requirements & Graduation Policy

Five academic credit courses must be taken each year; a sixth and/or seventh academic subject may be taken by students who are qualified. Fenwick offers an honors program for students of exceptional ability. Twenty-two (22) credits (including physical education and health) are needed for graduation. Opportunity for selecting elective courses is available.

Elective classes may be taken provided a student's cumulative grade point average indicates that attempting additional courses would be desirable and in the student's best interests.

Individual departments set criteria for enrollment in honors and AP (Advanced Placement) level classes. It is important that a student choose a course not for its weighted grade, but rather because of sincere interest in the course content and its applicability to the student's future academic pursuits.

English

The English curriculum at Fenwick is committed to exposing students to a wide array of genres, styles, authors, literary movements, means of critical analysis, vocabulary, grammar, and writing skills. Dedicated to bolstering students' ability to interpret and communicate effectively, the English curriculum emphasizes skills in reading, writing, listening, and speaking.

Four total credits.

Expressive Arts

The Expressive Arts Department works to develop the student's ability to think critically and to develop those skills that would allow one to express one's thoughts and feelings through a variety of spoken, musical, and artistic expressions. The Expressive Arts Department works to empower our students' ability to motivate, to move, and to touch others as we share our human experience and work toward a better understanding of ourselves, our society, and our world.

One total credit, 0.5 in Speech.

World Languages

The Fenwick World Languages Department offers a four or five-year sequence of courses in French, German, Italian, Latin and Spanish. The culmination of all five languages is an AP course. The modern language classes seek to establish a balance among skills in reading, writing, speaking and listening comprehension. Also included is the study of cultural topics in literature, history, art history and current events. The Latin program teaches the vocabulary and grammar of the language which enables students to read classical texts in the original Latin.

Four total credits. Student may take four credits in one language or choose to take two languages, two credits in each.

Health/PE

Health is designed to study and explore various topics associated with the health and welfare of the students and others around them. The course introduces and discusses positive and negative aspects of hygiene, stress, fitness, drugs, alcohol, tobacco, nutrition, disease and first aid through lecture and class discussion.

Physical education is an academic discipline and an essential portion of the general education process. Further, the physical education curriculum is centered on the concept that movement skills, intellectual development, physical fitness, and healthful living practices are elements of life that must be taught and reinforced. Specific knowledge, skills, and practice techniques that best benefit the student do not just happen.

One total credit, .5 in Health and .5 in PE.

Mathematics

To instruct students at their capacity for intellectual knowledge and to prepare them for aesthetic appreciation, in-depth study, and critical thinking, the Mathematics Department aims to develop students' understanding of mathematical concepts, relationships, techniques and deductive logic, along with the precision and aesthetics involved in the study of mathematics, especially involving computer- and calculator-based applications. The student who understands mathematical processes and content, as well as the value of mathematics, will be able to function efficiently and responsibly in our ever-changing society.

Three and a half total credits, including Geometry, Algebra 2 and Trigonometry.

Science

The Science Department's goals for our students are to provide a solid foundation for college-level work, to provide a rigorous and extensive laboratory experience, and to develop crucial reasoning skills. We also strive to instill a respect for nature as well as an appreciation for its beauty, complexity, and diversity. The members of the Science Department hope that our efforts lead students to realize their responsibility as stewards of the natural world. We are convinced that any religious view that minimizes the insights of science has removed itself from truth and from the Creator of truth. A Catholic Christian student with a profound understanding of science will mature with enriched religious beliefs.

Nearly two-thirds of the freshmen class will start their science sequence with freshman biology. There are many options over the four years of science in various levels of Biology, Chemistry, Physics, Anatomy, and Environmental Science. We offer a full range of science Advanced Placement classes.

Two total credits in lab sciences, including Biology.

Social Studies

Recognizing that the Information Age has brought about an even greater need for the social sciences in which analysis, evaluation, and synthesis are conducted, the Fenwick Social Studies Department works to foster critical thinking skills so as to engage students as apprentice historians, economists, social scientists, and all-around critical thinkers.

The department affirms that through investigation of primary and secondary sources, coupled with the applications of logic, reason, creativity and imagination, Fenwick students will shape their own informed, educated world views, which are so essential to acting as a moral steward within society and as versed global citizens.

Two and a half total credits, including World History, U.S. History, Civics and AP Government, per State of Illinois mandate.

Theology

Theology is the heart of the curriculum of Fenwick High School. It is the study of this Sacred Science, which sets Fenwick apart from many other schools. All students, regardless of their particular religious' affiliation, who attend Fenwick study four years of Theology.

Four total credits.

Business and Computer Science Department

The Business and Computer Science Department focuses on developing students to be literate 21st century professionals. The curriculum emphasizes the development of students' skill sets in computer programming, 3D modeling, financial and economic analysis, and introductory business topics. Students will be exposed to technology products commonly used in business such as Microsoft Excel, Microsoft Visual Basic, Python, JAVA, and Computer Aided Design. Students will apply critical thinking and problem solving skills using these technologies in many business settings (e.g., sales, marketing, product development, finance, etc.). Experience with these programs will aid in the transition to university business and engineering curriculum, and prepare students for using these programs for internships in the private sector.

TYPICAL FOUR-YEAR COURSE PLAN

FRESHMAN YEAR: 6-8 Credits

Theology	1
English	1
Foreign Language	1
Algebra	1
Social Science	1
Biology*	1
Expressive Arts*	.5/1
Health	.5
Physical Education*	.5

JUNIOR YEAR: 5-8 Credits

Theology	1
English	1
Foreign Language	1
Math	1
Social Science	1
Electives	

SOPHOMORE YEAR: 6-8 Credits

Theology	1
English	1
Foreign Language	1
Geometry	1
Biology or Chemistry*	1
Expressive Arts*	.5/1
Speech	.5
Civics ¹	.5
Physical Education*	.5

SENIOR COURSES: 5-8 Credits

Theology	1
English	1
Foreign Language	1
Math	1
Science	1
Electives	

*Classes will vary based on student placement

1 Civics is a required course for the classes of 2020, 2021 and 2022. AP government fulfills Civics requirement

Freshman Courses

Theology I

English I - (honors program available)

Language - (French, German, Italian, Latin, Spanish) Algebra - (honors program available)

Social Science (honors program available)

Biology - (college prep, honors, AP available) (elective - based on entrance exam scores)

Expressive Arts - (one semester of fine arts or 2 consecutive semesters of band or 2 consecutive semesters of choir)

Health Education (taken with Biology) Physical Education

Sophomore Courses

Theology II

Speech - (one semester)

English II - (honors program available) Language

Geometry (honors program available)

Biology or Chemistry (honors program available)

Expressive Arts - (one semester of fine arts or 2 consecutive semesters of band or 2 consecutive semesters of choir)

Civics (AP Government fulfills Civics requirement) Physical Education

Additional Academic Electives (see course descriptions)

Junior Courses

Theology III

English III - (honors and AP programs available) Language - (honors program available)

Math III - (honors program available)

United States History - (honors and AP programs available) Band (elective)

Choir (elective)

Physical Education (elective)

Additional Academic Electives (see course description)

Senior Courses

Theology IV

Western Civilization - (one semester)

English IV - (honors and AP programs available) Language - (honors and AP programs available) Math IV - (honors and AP programs available) Science - (honors and AP programs available) Band (elective and honors)

Choir (elective and honors) Physical Education (elective)

Additional Academic Electives (see course description)

Test Days

Assessment Schedule for 2019-2020

Foreign Language: Monday–Thursday

Theology, Social Studies, English – even numbered days of the calendar

Speech, Fine Arts, Science, Math, Computers – odd numbered days on the calendar

*Science – Fridays

*Science classes also fit in the regular rotation of assessment days. If a Friday does not fall on an odd numbered day, Science still may test on that Friday.

Three-Day a-Week Courses: Fridays only

Regardless of the day that a three-day-a-week course falls on; they may only assess on Fridays.

No subjects may give assessments outside of their assessment days. The only exception to this rule would be for reading quizzes. A reading quiz may only cover the material assigned for homework as a reading due that day. Any exceptions must be approved by the Principal.

Papers and projects should be assigned far in advance so that students have plenty of time to complete the assignment. The teacher can use any school day as a due date for these types of assignments.

Assessment Protocol

During all assessments, class tests, ACT, finals, etc., students will be expected to turn off and put away all technological devices such as cell phones, iPads, smart watches, etc. Having these items out during an assessment subject students to consequences under the academic dishonesty policy.

Grading

The following grading scale is recommended:

A = 93–100

B = 85–92

C = 78–84

D = 70–77

NC = No Credit

WP = Withdrawal Pass

WF = Withdrawal Fail

I = Incomplete (used for prolonged absence only)

Teachers have the latitude to use alternate systems but none more stringent than the recommended scale.

1. An "A" - "B" - "C" - "D" - "NC" is figured into the Grade Point Average. An "I" and any non-academic courses are NOT included in the Grade Point Average.
2. An "NC" received in any subject for a semester's work requires that the student take the course over again and the grade received will be added into the GPA together with the "NC."

3. Three "NC's" received on semester grades, in any one semester, two "NC's" in both semesters, in the same academic year, or a cumulative Grade Point Average of under

1.5 will cause the student's record to be reviewed by the Academic Review Board and may cause dismissal from school.

4. Honors for outstanding academic performance will be listed according to the following norms:

First Honors: Requires an average of 3.50 or above, with no single grade point value lower than 3.00.

Second Honors: Requires an average of 3.00 or above, with no single grade point value lower than 2.00.

Students graduated with honors if they maintain a 4.0 grade point average or better based on eight semesters of academic work.

Grading Procedures

The following grading and quality point systems is used:

Quality Points/Grade Point Averages

COLLEGE PREP

HONORS/AP

CLASSES

CLASSES

A	= 4	A	= 5
B	= 3	B	= 4
C	= 2	C	= 3
D	= 1	D	= 1
NC	= 0	NC	= 0

To determine quality points for a marking period, multiply the value of the letter given above by the value of the attempted credit for the marking period.

Examples:

If a student earns a B in a course for a marking period, multiply the value of the B (3 in a regular course) by the value of the attempted credit for the marking period (.25). The result is .75.

If a student earns a B in a semester course, multiply the value of the B (3 in a regular course) by the value of the attempted credit for the semester (.5). The result is 1.5.

To determine a GPA (Grade Point Average) for a marking period of semester, add up all the quality points and divide by the number of credits attempted for that grading period.

Withdrawing from a Class

Once the school year has begun, a student has one full week to request a withdrawal from a course. That request must be made in consultation with the student's counselor. If a student is allowed to withdraw from a course prior to the deadline, and he or she has consulted with the counselor, that course will not appear on their report card or their official transcript.

If a student asks to withdraw from a course after the deadline, the student must get permission from the Academic Department Chairperson and Student Services. When a student drops a course after the deadline, the course remains on their report card and transcript and a W (Withdrawal) designation will appear where the grade would normally be listed.

College Admission Requirements (IBHE)

It is important for students and their parents to be aware of the Illinois Board of Higher Education (IBHE) required admission standards for the state's public universities. College freshmen must have completed the specific high school course-work listed below:

- 4 years of English
- 3 years of Social Science
- 3 years of Mathematics
- 3 years of Laboratory Science
- 2 years of electives (Foreign Language, Music, or Art)

Out-of-state colleges and universities, both public and private, have varying admission patterns of course requirements. Handbooks and individual college catalogs are available in the Student Services Center. Please discuss these requirements with your child. All students should consult with their class counselor about scheduling appropriate classes. Each student will be assisted in preparing to take the appropriate college admissions examinations. These tests are described in the Student Services section of this handbook.

STUDENT SERVICES

The Student Services Department strives to maintain a positive atmosphere for learning. Each of the counselors attempt to assist our students in areas of academic, social, and personal concern.

Academic Advising

A student's progress is monitored by a class counselor. Students may be referred to our FRIAR MENTOR PROGRAM to gain assistance from a peer-tutor. A counselor, teacher, or parent may request that a student participate in our WEEKLY PROGRESS REPORTS PROGRAM. In this way students can bring home an evaluation of their progress at the end of each week.

Summer College Series

Incoming seniors and their parents are invited to attend a series of college selection seminars during the summer months prior to their senior year. Topics discussed typically include: admissions criteria, standardized test requirements, selective school admissions policies, scholarship eligibility, and financial aid.

Substance Abuse Program

The Student Services Department acts as a resource for students, parents, and faculty when questions of substance abuse arise. Information for faculty, which may be included in appropriate academic discussions, is available.

Student Services, in cooperation with the Fenwick Administration, sponsors Fenwick at Its Best (FAB) and the Sophomore Night Educational Program:

- Fenwick at Its Best (FAB)

FAB is a mandatory evening for all freshmen to attend with at least one parent or guardian. The annual presentation is aimed at fostering healthy relationships between parents and children as students enter the high school years. The risks and pressures that teens face during their high school careers are addressed. In relation to that, the Fenwick Administration outlines the school's approach and policies pertaining to underage drinking and the use of illegal and prescription drugs.

- Sophomore Night Educational Program

This program focuses on underage drinking and drug use, including medical, legal, and other far-reaching and tragic potential consequences. Our school welcomes the Alliance Against Intoxicated Motorists (AAIM) as it brings a panel of speakers to present. In addition, the Fenwick Administration also speaks regarding policies listed in the Fenwick High School Parent/Student Handbook concerning these topics.

It is a mandatory evening for sophomores and their parents. In order to have the privilege of attending Fenwick's dances, each sophomore must attend the presentation with at least one parent or guardian. Transfer students and their parents also are required to attend.

Fenwick High School's Substance Abuse Program also includes:

- Health Class

This is a required course for all Fenwick students. As part of the curriculum, students are educated about the risks of alcohol and drug use.

- Programs Sponsored by Students Against Destructive Decisions (SADD)

SADD sponsors two all-school assemblies per year pertaining to the risks associated with unwise choices. The spring assembly each year focuses on the dangers of alcohol and drug use for youth and other risky choices.

Shadow Day Procedures

A Shadow Day is an opportunity for a prospective student to get a full-day experience as a Fenwick High School student. Shadow day opportunities are given to 8th graders in the fall from mid-September until the end of November. In the spring, 7th graders are invited to shadow from mid- February until mid-May. Shadow days are not permitted on Mondays during either semester.

Prospective students are paired with trained student ambassadors by common interests, family relation, or requests. To be selected as a student ambassador, students are required to have a 3.0 GPA, be in good standing with the school, complete training, and assist the Admissions Department at events throughout the school year. The admissions office tries to accommodate requests of family members and family friends; however, this is not a guarantee. Ambassadors are notified the day before they are required to host a prospective student. If they are unable to host the following day, they are required to email or see the Admissions Department so that other arrangements can be made.

The Shadow Day begins during first period and typically ends after ninth period. When students arrive, they are accompanied to the admissions office where they check in and are paired with an ambassador host. Students are given a lunch voucher for use in the cafeteria. The host is required to be with the prospective student at all times during the school day. There should be no passing of a shadow to other Fenwick students. After ninth period, the ambassador accompanies the shadow back to the admissions office.

The Shadow Day dress code is as follows:

Boys: Dress pants, collared shirt, and dress shoes. A polo style collared shirt is acceptable.

Girls: Dress pants or dress skirt, collared shirt and dress shoes. A polo style collared shirt is acceptable.

No jeans, gym shoes, t-shirts, sweat pants, sweat shirts, sleeveless shirts or mid-drift tops are allowed.

Any and all incidents with our ambassador and/or shadow guest should be reported to the admissions office.

Fenwick students may not schedule shadow days for junior high school students.

Students wanting to shadow must make an appointment by calling the Admissions Office and setting that appointment with the Admissions Director. Fenwick students who bring shadows to school without permission by the Admissions Director will receive a detention.

Only under unusual circumstances will high school students be allowed to shadow. All high school shadows must have applied for admission. Fenwick students who bring unauthorized high school shadows to school will receive a detention and the shadow will be required to call his/her parent and will be sent home.

Testing Program

The Student Services Office administers a number of standardized tests to our students. They include:

PSAT/National Merit

Freshmen, sophomores and juniors sit for the National Merit Exam. This instrument prepares students to take the SAT (given in junior year) and also allows students to qualify for National Merit recognition and possible scholarships.

SAT – (Scholarship Aptitude Test)

The Scholarship Aptitude Test is given to our juniors. It is one of the two standardized examinations required by most colleges.

ACT – (American College Test)

The American College Testing program is administered to juniors. The ACT is preferred by many Midwestern universities and may be substituted for the SAT at a number of schools.

Strong-Campbell

The Strong-Campbell inventory is available to any member of the student body. The test measures student interest in a wide cross section of possible vocational choices. The results are used in guidance sessions when a student is attempting to choose possible career paths and college choices.

All students are required to sit for all standardized examinations. Testing fees are set by the independent testing agencies.

Class Counselors

College Counselors: Mr. Borsch

Class of 2020: Ms. Anderson

Class of 2021: Mr. Jacobsen

Class of 2022: Ms. Visteen

Class of 2023: Mr. Segredo

Mr. Borsch is the college counselors and liaisons to the state and national college counseling agencies. Fenwick is a member of the College Board, the Illinois Association of Admissions Counselors (IACAC), and the National Association of College Admission Counselors (NACAC).

The Library

Library hours are from 7 a.m.–5:30 p.m. from Monday through Thursday. On Fridays, the Library will open at 7 a.m. and will close at 4:30 p.m. All students are welcome in the Library and are strongly encouraged to use it often. For safety and security no one without an official pass is allowed in the Library.

A respectful, quiet atmosphere, conducive to study and concentration, should be maintained at all times. Proficiency in library skills is promoted; however, students should ask a librarian for assistance if needed. To develop responsibility, students should be aware of library material due dates and return materials on time. To check out library materials, students must present their Fenwick Student ID. The cost of replacement materials will be charged if items are lost.

Each year the library receives funds from federal grants, which are intended to allow us to purchase materials that will enrich the educational process and address the students' greatest needs. These grants may not supplant school funds. Parents and faculty are invited to contact the school librarian with suggestions for purchases from these funds.

HEALTH OFFICE

Our mission in the Fenwick Health Office is to provide effective and efficient care which will promote the physical, emotional and spiritual well-being of the student. We strive to work with families and the school community to keep students healthy, safe and ready to learn.

Health Forms for the Health Office:

All students are required to complete all health forms on the Magnus Health System prior to July 1st of the upcoming school year. If you are opting out of using the Magnus Health system you must inform the nurse in writing and provide paper copies of all required forms. All forms can be found in the Magnus Health system or on the Health Office Web page.

Exclusion: According to the State of Illinois, if all forms are not in and completed by the start of each school year, students may not be allowed to attend class, participate in sports or other activities until all forms are completed.

Guidelines and procedures:

During school hours there is a full-time School Nurse in the health office, located in the basement across from the pool. The School Nurse provides emergency assistance and first aid in cases of injury or illness until the parent/legal guardian arrives to assume responsibility.

1. Parents/legal guardians are responsible for keeping ill students at home. Parents must follow the guideline of the CDC. The student should stay home for a fever of over 100.0 and should not return until at least 24 hours after the fever is gone. Students are encouraged to stay home for any other flu-like symptoms such as a cough or a cold.

2. Parents are responsible for keeping students home for any other illness that may be contagious, such as eye infection and the stomach flu.

3. If the student feels ill:

- he or she should talk to the teacher and a pass should be written from the teacher to go to Student Services. Student Services will keep track of the attendance and have the student sign into the Student Services Department. The student will proceed to the school nurse. The student will be escorted down to student services if necessary.
- The nurse will assess the complaint of the student and notify the parents/guardian if necessary. Documentation also will be completed by the nurse.
- Students may only go home with guardian, contact person or a person who is represented by the parent (verbally).
- If a student leaves school with a guardian, the guardian or authorized contact person must sign the student out at the front desk. The front desk personnel will request to see a photo ID. The nurse will bring the student to the parent.
- Students are not permitted to drive themselves home from school if they are ill. They must be picked up by a guardian or authorized contact person. The Administration will stand firm on this policy.
- Reasons student must be picked up from school include but are not limited to:

- Fever over 100 degrees
- Persistent, uncontrollable coughing
- Any severe pain or injury
- Any suspected communicable disease
- Flu-like symptoms
- Migraines
- Rapidly spreading rash or Allergic reaction
- Vomiting/concussion

- If a crisis situation occurs: assessment of the individual will take place and, if warranted, 911 will be called. A Fenwick Staff Member will call parents.
- If the student needs to go to the hospital the student will go with the paramedics and will be escorted by Parent/Guardian or Fenwick Faculty.
- The School nurse will follow up with the parent/Guardian after a crisis situation.
- A return-to-school note needs to be turned in to Student Services and any pertinent information should be verbally given or written for the nurse to give quality care.

MEDICATION:

Students who need to take medication during school must have an Authorization of Medication Prescription form on file. The Authorization includes Prescription and Non-prescription medications. All Medications are to be stored and taken in the Health Office. The school nurse or authorized personnel will administer medication when the Authorization of Medication is in place.

FENWICK EMERGENCY MEDICAL EQUIPMENT

Fenwick High School has multiple locations where defibrillators and Undesignated EpiPens are located. The Nurse and members of the staff are fully trained and certified to use this equipment. The Nurse and trained staff also have access to Narcan. For policies regarding these emergency medical treatments, please see the Health Office Web page under Student Life on the Fenwick website.

EpiPens are available to use if a student is having a suspected anaphylactic reaction. If you do not wish to have an undesignated EpiPen used on your child in an emergency, please let the school/office know your wishes in writing within 5 days of the school year starting, so it can be kept on file.

Athletic Injuries:

If a student is injured participating in an authorized Fenwick sport or practice, Fenwick has Athletic Trainers available to see and treat athletes after school.

For more information and Health Tips please see our Health Office Web Page under Student Life on the Fenwick website.

DEAN'S OFFICE

The Dean of Students Office strives to set standards of excellence in the delivery of student services and to foster a welcoming environment that is inclusive, safe and conducive to learning. The core function of the Dean's Office is assisting and developing students through services that include, leadership development opportunities, character development, and resolutions to student misconduct allegations.

ATTENDANCE

The school calendar is provided in advance with all major dates and activities. Family business, vacation plans, personal leaves, etc. should not interfere with school time. Fenwick High School strongly discourages families from taking a student out of school for family trips or vacations.

Reporting an absence:

Each day of an absence, late arrival or early dismissal, a parent or guardian must call the school (708-386-0127 x 341) before 8:45 a.m. to report the absence and give the following information:

- Student's full name
- Parent/Guardian's full name
- A specific and fully stated reason
- Parent/Guardian daytime phone number

If a phone call is not received with a specific reason why by the end of the day on which the student is absent, the absence will be considered unexcused. The absence cannot be excused on a later day. The Dean of Students determines the status of an absence (excused, unexcused or truant)

Returning from an Absence:

When a student returns from any absence they MUST FIRST report to Student Services. All supporting documents must be turned in the day they are returning from an absence. An admit slip will be given to the student to show to their respective teachers indicating if the absence is excused or unexcused.

Types of Absences:

Students are expected to be in class daily and to be on time for every class. Absences will be classified by excused or unexcused. Students are responsible for obtaining missed class content and homework for excused absences. An absence due to truancy, out-of-school suspension or dismissal from class for disciplinary reasons is unexcused. In these cases, the teacher is not obligated to assist the pupil in making up the assignment work, tests or laboratory experiments that have been missed. The student may not receive credit for any work missed during these times and may not participate in extracurricular activities.

The following are acceptable reasons for excused absences:

- Illness (up to three days per quarter, Doctor's note will be required beyond that)
- Medical appointments (Doctor's note must be turned in)

- Funerals
- College Visits (Advanced Absence Approval from Fenwick is required)
- Court (Paperwork must be brought in)

Fenwick High School reserves the right to review the academic status of a student and/or drop a student from a class if they have been absent for more than nine days per semester regardless of the status of the absences. The Dean of Students, the Student's Counselor and/or the Principal will review extenuating circumstances, with all cases subject to review by the Attendance Review Board.

Truancy is an intentional unauthorized/unexcused absence from school and will result in the same consequences as an unexcused absence plus the following:

- 1st offense 10 & 10
- 2nd offense 10 & 10 & Disciplinary Probation

Absence from an Individual Class:

All absences from an individual class will be treated as a cut class unless the student has obtained permission from that teacher in advance to miss the class. In the case of an illness during the class or before the start of class, the student will need to get permission to go to Student Services to obtain a pass to the nurse. Following consequences will also result from cutting class:

- Cut 1 class:
 - o 1st offense 3 & 3
 - o 2nd offense 5 & 5
 - o 3rd offense 10 & 10 & Disciplinary Probation
 - o 4th offense Discipline Board
- Cut multiple classes:
 - o 1st offense 5 & 5
 - o 2nd offense 10 & 10 & Disciplinary Probation
 - o 3rd offense Discipline Board

Tardies to School:

Students who are tardy to school/1st period must obtain a tardy pass. Failure to do so will result in a JUG. When a student arrives late to school and the building is locked down, they are to obtain a Tardy slip from the main office and report directly to their class. If a student was in the building but did not report to 1st period on time, they must report directly to Student Services to obtain a Tardy slip. Since the student is allowed 4 tardies per semester without consequences, there are no excused tardies for eventualities such as car problems, traffic or other personal difficulties. See the table below for consequences:

Number of Tardies to School	Consequences
4 th	Email to parent
5 th , 6 th , & 7 th	JUG per tardy
8 th	3 & 3
9 th , 10 th , & 11 th	1 & 1 per tardy
12 or more	3 & 3 per tardy

(A letter will also go home with the 12th tardy)

Tardies to Class:

Tardies to individual classes will be supervised by the classroom teacher, except for 1st period since it is the start of school. If a student is more than 10 minutes late to a class without a pass it will be considered a cut class and the consequences from a cut class will be enforced. Teachers will issue a JUG for every tardy to class and apply any other consequences based on the teacher's classroom policies as stated.

Attendance Guidelines for Athletics & Clubs:

Students involved in athletics, clubs and/or organizations cannot practice, participate or compete in those activities/contests unless present for 75% of their scheduled school day on the day of the activity. If an activity/contest is held on a Saturday or Sunday, the student must be present for 75% of their scheduled school day on Friday. Students leaving the building sick, suspended or caught cutting class may not participate, practice or compete in any activities that day either.

1. If an absence during the day is due to a doctor or dentist visit, a note must be presented clearing the student to participate for that day: no exceptions.
2. If an athlete is absent from school because of illness, the athlete may not participate in a practice or a contest.
3. If an athlete leaves school because of illness during the day of a contest, the athlete will not be eligible to participate in a practice or a contest.
4. If an athlete is absent from school for reasons other than illness, the decision of eligibility will be left to the discretion of the Athletic Director or Principal.
All activities should end early enough for students to arrive home before the Oak Park curfew (Sunday–Thursday, 11 p.m. and Friday–Saturday, midnight).

Advanced Absences:

In the case of a planned absence due to family necessity including college visits students must pick-up an Advanced Absences form from Student Services. The top half of this form must be filled out by the student and parent and the completed form must be returned to Student Services at least one week in advance. This action will be expected if the student is to have make-up privileges for tests and assignments that might be missed.

Attendance Review Board:

Any student with an excessive amount of absences, which would be a number of absences equal to or more than 10% of the total day in session, may be subject to an Attendance Review Board hearing and/or lose credit for the semester.

Student Support Board:

Our mission as part of Fenwick High School's Student Services Department is to provide effective and efficient intervention for our students that have been identified as needing academic support due to illness or needing support due to the danger of not being successful, academically, and for whom the possibility of failing exists. We strive to work with families and the school community to keep students succeeding on their own accord and to their best ability.

The SSB may consist of the Assistant Principal(s), Director of Student Services, the Learning Resource Coordinator, Counselor, both Deans, the Social Worker, and the Nurse. This board will convene after the Attendance Review Board has established that a student's poor attendance is due to a severe health issue effecting attendance. The board may also convene when it is evident that a student is not meeting their potential academically and intervention of the team is needed or requested by the student counselor. *Both of these processes may require documentation to move forward.*

Attendance Eligibility for Exemption Consideration of Semester Exams

Any student desiring to be considered for exemption on their semester exams must have 90% attendance during that semester. This includes all absences except those associated with Fenwick such as scholarship meetings, excused Fenwick athletic events, and/or Fenwick class field trips. It is an earned privilege to be exempted from an exam. If a student's absences are not one of the previously mentioned reasons, then they will count towards the 10%. If the student doesn't meet the minimum attendance requirement and the minimum grade requirement, they will not be exempted from any semester finals.

Procedures to Note

1. Any student who is absent for class an excessive number of times in a semester may be dropped from that class and no credit will be given for the course, with all cases subject to review by the ARB.
2. The State of Illinois places legal responsibility for school attendance upon the parent(s) and/or guardian(s). Fenwick High School considers a student who is absent without consent of parent(s) or guardian(s) and the school, to be truant. Truancy will be dealt with severely and may result in suspension with a view to expulsion.
3. An absence due to truancy, out of school suspension or dismissal from class for disciplinary reasons shall also be deemed to be an Unexcused Absence. In these cases, the teacher is not obligated to assist the pupil in making up the assigned work, tests or laboratory experiments that have been missed. The student may not receive credit for any work missed during these times and may not participate in extracurricular activities.
4. Doctor and dental appointments should be made for Saturdays, holidays or after school hours. Appointments made during school hours will be considered an unexcused absence if the advanced absence procedures are not followed and a doctor's note is not presented upon return. Students who must leave school early on a particular day are to have their parent(s) or guardian(s) call Student Services and leave a message with the Attendance line (EXT 341). This includes if the student returns to school from a same day appointment.
5. When there is severe inclement weather, check the Fenwick website at fenwickfriars.com, or the Emergency Closing Center website at emergencyclosings.com. Other options include tuning in to AM Radio (720 WGN, or 780 WBBM), FM radio (94.7), T.V. (Fox 32, CBS 2, ABC 7, WGN 9, or NBC 5), or calling the Emergency Center Closing Center Hotline at 1-312-222-SNOW.

Foreign or Domestic Travel

Fenwick High School sponsors several foreign and domestic travel tours, including some that may occur as athletic team commitments. Each student is expected to behave in the same manner he/she would at any school activity. The underlying reason for any activity in which our students are engaged is to enhance their total educational experience. No student shall be permitted to partake in any off-campus overnight/extended trip or field trip unless he/she and his/her parent or guardian have read together the distributed policies and have signed, agreeing that the student will comply with those provisions.

Vacations

Fenwick High School strongly discourages absence caused by student's vacationing and traveling. We urge parents to give serious consideration to the consequences of such absences. Vacations and/or extended travel should be planned during established holiday and seasonal breaks when school is not in session. Parents and students should understand that excessive absences, whether excused or unexcused, will drastically affect the student's grades. Vacation absences will be unexcused.

CONDUCT

School Procedures & Regulations

1. When students arrive to school before the first bell, they must enter the building in dress code. Students may not loiter at the entrances to the school or on the sidewalks adjacent to the school. When students arrive to school in the morning, they are to report to the Library, the Lawless Gym or the Cafeteria until it is time to report to class. Students should not congregate in the hallways, the Fieldhouse Gym, at their lockers, in the Link, locker rooms or stairwells and are to remain on campus from the time they arrive to school until afternoon dismissal.
2. There is to be no loitering in the corridors or in the lavatories during the time allowed for changing of classes or at the beginning and end of the lunch periods. No shouting, fighting, wrestling, running or gum chewing is permitted in the school at any time. After school, students are to report to the following places if they are awaiting practice or waiting for their rides home: Students should report to the Library or to the Atrium. Students are also allowed to the cafeteria during 11th period. Students should not gather in the gyms or in the Link hallway. Unsupervised students are not permitted to be in the building after 3:30 p.m. or on the weekends.
3. Students may go to their lockers only before and after school and immediately before and after lunch. Once students have what they need from their locker, they should report to approved areas.
4. Students are to be concerned with the neat appearance of the entire school.

5. Lunches are to remain in the hall lockers until just before the lunch periods. It is only in the cafeteria that food and beverages are consumed. No food or beverages are allowed in the halls, the classrooms, or the physical education (PE) areas or athletic lockers.
6. Smoking of any kind is forbidden. Students are not to have any tobacco products, matches/lighters, or vaping devices on their person, in their lockers, or on school grounds. This includes all forms of tobacco and look-alike products, (i.e. chewing tobacco, **vaping devices and e-cigarettes**). These items and acts will follow the procedure associated with the drug and alcohol policy.
7. Students are not to use laser pointers, cell phones, cameras, camera cell phones, radios, iPod or MP3 players (with or without head phones) in the building during school hours from 7:55 a.m.–3:20 p.m. without teacher permission. See Mobile/Cell Phone policy.
8. Only school locks are permitted on the lockers and these are to be KEPT LOCKED. Students are to use only the locker assigned to them; any changes must be approved by a Dean. Students are not to give locker numbers or combinations to anyone. Keep all items secured by locking your locker. Students will be responsible for lost items when their lockers are not kept locked and/or secured. Fenwick will not be responsible for lost or stolen items.
9. PE lockers are to be used for PE attire only. Books, jackets, suit coats, etc. are not to be left in the PE locker room. Keep items for this locker secured by locking your locker. Eating in the locker room will result in detention.
10. Students should not bring expensive personal items into the school (i.e. jewelry, ear phones, and electronics).
11. During lunch and other available eating times in the cafeteria, students are expected to conduct themselves appropriately (no throwing food, acceptable voice levels, no walking around the cafeteria to visit other tables). All students are responsible for maintaining a clean table and a clean area under their tables. Detention or removal from their current table will occur if students are found in violation of this expectation.
12. Students and parents are not allowed to order food to be delivered during the school day, including during lunch hours. Any food delivered will be turned away at the cost of the individual who placed the order. No exceptions.
13. Students and their parents are expected to maintain a positive balance on Quest Food accounts. Students with negative balances will not be able to obtain a lunch on an I.O.U.
14. Students are issued lanyards and ID cards which they must wear around their neck during the school day and must be shown to Faculty/Staff members upon request. Failure to have an ID card will result in a detention. NO ID = DETENTION. The ID also serves as a student's library card, bus pass and

cafeteria debit card. Student ID's are issued through the Technology Office. There is a \$10 charge to replace lost ID's.

15. Students are to present the proper identification to ride the buses to and from school. Students are expected to act in an appropriate manner that shows consideration for the driver and for the safety of other students. Students in violation of this expectation may be denied service.

16. The Handbook Acknowledgement Form must be signed and returned by the end of the first week of school. This form serves as an agreement between Fenwick High School and our families. A student will not be eligible to participate in any activities until the form is properly signed and returned.

Pregnancy Policy

As a Catholic community, we affirm, encourage and emphasize the need to make good moral choices, which include abstinence from engaging in pre-marital sex as well as not considering abortion as a possible course of action.

The administration and student services personnel of Fenwick High School will extend every effort to assist and support the pregnant student in her educational development as well as in her personal and social adjustment.

When the school becomes aware of a student who is pregnant:

1. A conference will be held with the student, her parents, the Director of Student Services, and her counselor to determine the most appropriate course of action. If the father is a Fenwick student, he and his parents will also be included in this process.
2. Should the student decide to stay at school, the student and her parents/guardians assume all responsibilities for prenatal care as well as all the regular school responsibilities. Absence from school for maternity reasons will be managed as are all extended absences for medical reasons.
3. Pregnant students may participate in one of the many fine alternative programs offered in the Chicagoland area by reputable agencies such as Catholic Charities. Fenwick will fully cooperate with the student who enrolls in such a program. The educational program alternatives must be compatible with the program offered at Fenwick so that the student will be able to return to Fenwick with a minimum of difficulty.
4. Periodic updates on the student's condition, from the student's doctor, will be requested by Fenwick. This will be done out of our concern for the student's welfare.
5. As with all Fenwick students, the student is expected to abide by all academic, behavioral, and social norms of the school.
6. The student's return to school after delivery will be preceded by a conference out of a concern for the student and parents.
7. Students will not be allowed to have their infant/child with them during the school day.

Student Behavior

1. A student who is caught in the act of or the under the influence of alcohol, drugs or narcotics on school premises, or at school related functions, will be suspended and will appear before the Discipline Board.

Any student who sells, distributes or in any way serves as a source of obtaining alcohol or any illegal substances (with/without the intent of personal profit) at a school-related function (home/away) will be immediately suspended pending his or her appearance before the Discipline Board with a view toward expulsion.

Procedures for expulsion will begin immediately for students who use or possess illegal drugs or alcohol in the school building. The same procedure applies to students who are found to be selling or purchasing illegal drugs or intoxicating beverages in the school building.

PLEASE NOTE: Fenwick reserves the right to randomly drug test due to suspicion and turn over any illegal substances to the legal authorities regardless of how their procedures impact the student found in violation of selling, distributing, or serving as the source.

In cases where a student is allowed to continue in attendance, the primary goal of Fenwick High School is to help the student and family, regardless of disciplinary consequences that may be imposed. The student will have a clinical assessment administered by a certified addictions counselor and will comply completely with the recommendations of that evaluation. Fenwick is to have access to the clinical report. When drug and alcohol education is recommended following an assessment, Fenwick expects the following criteria to be met in any educational program that a student attends to be considered school-approved: The class is designed for underage youth; the class is taught by someone possessing the CADC (Certified Alcohol & Drug Counselor) credential; and the class is taught at a facility that follows ASAM (American Society of Addiction Medicine) criteria in conducting all assessments. These types of classes are generally classified as LIPP (Lower Intensity of Patient Services). If you are in need of alcohol and drug services that meet the above criteria, please contact our social worker(s), Ms. Nancy Drennan or Ms. Sandra Montes, for resources.

2. Fighting in the school building or on school grounds will result in immediate suspension and may lead to expulsion.

3. Any disrespect, insubordination or insolence in word, act or attitude will be dealt with according to the gravity of the situation. Grave insubordination could result in suspension or expulsion.

4. Vandalism involving school property or property of a fellow student will be dealt with according to the gravity of the situation. Serious incidents will result in expulsion. All damage to school property must be paid for by the student.

5. Stealing is a serious offense.
6. No gambling is allowed, and gambling in school may result in discipline or suspension with a view to expulsion.
7. The submitting of work which is not original (plagiarism), sharing of test/quiz material, collaboration on individual projects and lying or misrepresenting facts are unacceptable behaviors. See Academic Dishonesty Policy.
8. Public displays of affection of a romantic nature during school hours are not permitted (i.e. kissing, hand holding, excessive physical contact).
9. Fenwick students are encouraged to avoid out-of-school situations where activities are in contradiction to stated school policies and philosophies. These situations, which are detrimental to the reputation of the school as well as to the student, are cause for a review which could lead to intervention, discipline, suspension, or expulsion (Some examples of these situations include: the use, possession, sale, or being under the influence of intoxicating beverages, drugs, or narcotics.). These are illegal actions, especially for minors. If Fenwick receives information regarding off-campus use or possession (as defined by law) of alcohol, illegal substances, or drug paraphernalia, the school will contact the parents and may require (at the parent's expense) the student's mandatory participation in a school approved drug or alcohol test and/or professional evaluation and/or a school approved substance-abuse program. In addition, all consequences described in the school's policy on this topic will be considered by the administration. If these actions present a negative image for the school, expulsion will be highly considered. Should any of these incidents involve a parent distributing or hosting a party of such, the family will be required to meet with the administration to discuss the enrollment future of the student.
10. School regulations are to be observed whenever students are on the school grounds— both before and after school—as well as at all social, athletic and spiritual events sponsored by the school whether these are held on the school campus or elsewhere.
11. In the Fenwick family, we value each individual for the human potential he/she possesses; we encourage each other to achieve all that we can; we congratulate each other for our achievements. We try to find Christ in everyone we meet. Ethnic, gender, sexual orientation or racial stereotypes prevent us from open-mindedly encountering each other as unique individuals. When we prejudge others, according to these stereotypes, it keeps us from developing responsible one-on-one relationships with our sisters and brothers in Christ. The expression of these stereotypes reflect an unthinking, irresponsible, and un-Christian attitude— unacceptable in the Fenwick family. Slurs related to ethnic, gender, sexual orientation or racial stereotypes—spoken, written or communicated through any medium—will be dealt with by one of the Deans or a Counselor. Responses range from counseling sessions to suspension with a view to expulsion.
12. Bullying and harassment or any severe or pervasive physical or verbal act,

conduct or behavior will not be tolerated. This includes communications made verbally, in writing or electronically (use of computer or telecommunication including texting devices messenger devices and other similar tools or any electronic or similar type of transmission) by an individual or group, usually repeated over time, that can be reasonably expected to place the student in fear of their person or property, cause a substantial detrimental effect to their physical or mental health, or substantially interfere with their academic performance or ability to participate in school activities. Bullying/ harassment can take many forms, including, but not limited to, physical, verbal or non-verbal threats, or intimidation, social exclusion and isolation, sexual harassment, extortion, defamation, the spreading gossip or rumors and assault. Bullying or harassment will result in discipline, which may include probation, suspension, or expulsion. Bullying or harassment will result in notification of parents of all parties involved and may also result in referral to criminal authorities for prosecution when appropriate.

13. Initiation rituals (hazing) demonstrates a lack of respect for one's peers. This will not be tolerated and will result in discipline, which may include probation, suspension, expulsion or referral to criminal authorities for prosecution when appropriate.

14. The school does not approve of any activity/behavior that could bring harm to or endanger any person or other living thing. Such activities will be dealt with severely.

15. Students are expected to observe all driving and parking regulations within the Oak Park community when driving to and from school. In addition, students are required to follow all parking procedures when parking in the S4 parking areas. If students are found in violation of these regulations, they may face detentions and demerits, towing, ticketing and the suspension or revoking of their parking hang tag.

16. During athletic competitions, student spectators are expected to behave appropriately by showing sportsmanship and respect to the opposing team, opposing fans and the referees at all times. Students found in violation of this expectation could be removed from the student section or from the competition entirely.

17. Any activity deemed to be any sort of class prank that in any way disturbs the functioning of the school will be dealt with severely.

18. Students should not be in any unauthorized areas.

Mobile/Cell Phone Policy

Students are not to use cell phones in the building during the hours from 7:55 a.m. – 3:20 p.m. In addition, it is suggested that students not bring expensive personal items into the school. This includes cell phones. As an institution, we do recognize the purpose of parents supplying their students with cell phones for safety, including knowing your child's whereabouts and having a means of communication in emergency situations. We also recognize that cell phone use can enhance learning within the classroom where the parameters of using it as an educational tool are allowed by the

teaching staff. Therefore, this policy is written to outline what is acceptable cell phone use under teacher guidance; when cell phones are not acceptable; and the responsibility of the student wishing to use the device when permission is granted by their teacher.

The use of “smartphones” at Fenwick can be allowed to enhance the overall learning experience of students. The cell phone can, therefore, be seen as a tool to be used in your education with teacher permission.

Possession of Cell Phones at School

It is the student's responsibility for the following:

1. Maintain the security of your device at all times. Never leave it unattended.
2. Sound must be muted at all times unless the student has the permission of the teacher.
3. All content accessed at school on the cell phone must be school-appropriate and used in a responsible manner.
4. Cell phones may never be used in the bathroom or locker rooms.
5. Games and other entertainment sites are not to be accessed on cell phones during the school hours of 7:55 a.m.–3:20 p.m.
6. If permission is not given for students to have a cell phone in use in the classroom, ALL CELL PHONES MUST REMAIN IN THE STUDENT'S BACKPACK AND SECURELY PUT AWAY. Students need to maintain the security of their backpacks.
7. STUDENTS ARE SOLELY RESPONSIBLE FOR THEIR CELL PHONES. ANY LOST, DAMAGED OR STOLEN CELL PHONES IS AT THE STUDENTS' LOSS. Fenwick High School will not be responsible for the recovery of these items.

Academic Use and Responsibilities of the student

1. The use of the cell phone in the classroom is always at the discretion of the teacher.
2. Students are expected to come prepared for class with all required apps and completed assignments as directed by the teacher.
3. Class time will not be taken for downloading or updating your cell phone or your apps. These activities must be done outside of class time.
4. When teachers specify an app for a class, students will be required to use that app.
5. Students are expected to follow all guidelines for academic honesty.
6. Illegal activities – use of the school's internet/e-mail accounts for financial or commercial gain for any illegal activities – is strictly forbidden.

Use of Camera, Video and Microphone or Cell Phones and iPads

1. All recording devices may only be used at school for teacher-directed academic purposes.
2. At NO time is a student allowed to photograph, video, or in any other way

- record staff, students, or visitors with their personal cell phones or iPads.
3. If any lewd or inappropriate images of students or others are distributed in the building (on the network or not), those involved in the distribution will face disciplinary consequences up to and including appearing in front of the Discipline Board. In situations where Fenwick finds the activity is illegal, the proper authorities will be contacted.
 4. Any violation of this policy will result in serious disciplinary measures.

Privacy

1. Network and Internet access is provided as a tool for education. Fenwick reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the network and Internet access and any and all information transmitted or received in connection with such usage. No student should have any expectation of privacy regarding the content of his or her iPad or cell phone if used on the Fenwick Network.

Failure to follow these guidelines will result in disciplinary action

Questioning of Students

The Deans of Students, or any other member of the Administration, may interview students or remove students from instruction to question those regarding violations of board policy, the policies in this handbook, or school behavior if there is a violation or a reasonable degree of suspicion that a violation has been committed. In addition, an appropriate investigation will be conducted if it is a severe violation. The Administration may act on information related to suspected violations of school rules. School officials are not required to notify parents about the questioning of students. Students are obligated to answer questions truthfully.

JUG

Those students who violate school or classroom rules and regulations are subject to detention (JUG) after school for 45 minutes. Any student who is assigned detention must serve that detention on the day it is assigned. An electronic notification will be sent through Blackbaud to the student and the parent. Students are expected to report to JUG directly after their last class of the day. After-school jobs, athletic practices or games, personal obligations, etc., are not legitimate reasons for missing detention. Failure to meet this obligation will result in an additional detention and a demerit being issued. Attendance at JUG takes precedence over all other activities. A writing lesson or other tasks may be assigned at JUG.

Demerits

Demerits are a discipline point system assigned to major infractions. Demerits are tracked to indicate threshold for probation and/or discipline board hearings. When a student accumulates fifteen (15) demerits, parents will be notified, the student will be placed on probation, and a conference may be requested. If a student reaches twenty-five (25) demerits, he or she will immediately need to appear in front of the Disciplinary Board. Unless otherwise stated, demerits reset with each new school year.

Discipline Consequences

JUG (Judgment Under God)/ Detention

- Cell phone violation
- Minor classroom disruption (talking, horseplay, laughing, etc.)
- Technology violation (minor)
- Dress code infraction

3&3 (detentions and demerits)

- Disrespect toward any staff (minor)
- Disrespect toward any student (minor)
- Public display of affection (minor)
- Laser pointer use in class (on student, faculty or wall)
- Any infraction repeated 4 or more times
- Missing JUG more than once

5&5 (detentions and demerits)

- Vandalism toward school property (minor) (<\$100, student will pay for damage)
- 2nd academic dishonesty/plagiarism (0 on assignment and letter home will be included)
- Insubordination toward staff
- Disrespect toward staff
- Bullying or harassment (minor)
- Parking violations (1st)
- Forgery
- Dangerous behavior
- Unauthorized location

10&10 (detentions and demerits) and Letter of Understanding

- 3rd academic dishonesty/plagiarism (0 on assignment, letter home will be included and appearance in front of Academic Review Board)
- Any out-of-school situation that is interpreted as a major disruption
- Bullying or harassment (major)
- Parking violations (2nd)
- Stealing (minor)
- Vandalism toward school property (major) (>\$100, student will pay for damage)

- Laser pointer use in eyes of student or faculty

15&15 (detentions and demerits) + Suspension+ Probationary Letter

- Fighting
- Attending or hosting a party found to have alcohol or drugs (possible probationary letter)
- Video or audio recording staff or student without permission
- Stealing (major)
- Severe disrespect toward staff
- Any act that is in violation of Fenwick's inclusion policy or violate #11 under Student Behavior of the Fenwick High School Parent/Student Handbook.
- Any act that is a violation of the alcohol and drug policy.

The education of a student is a partnership between the parents and the school. Just as the parent has the right to withdraw a student, the school administration reserves the right to require the withdrawal of a student if the administration that the partnership is irretrievably broken.

Review Boards

All review board decisions will be part of the student discipline record.

- Being under the influence of alcohol or drugs in the building and/or at a Fenwick-sponsored event
- Any use, possession or selling of illegal substances
- 3rd academic dishonesty
- Excessive absences and/or tardies
- Excessive/severe discipline infractions
- Any act committed that causes physical damage to another student, faculty or staff member

Accumulation referrals (discipline only)

4th referral = 3 JUGS and 3 demerits

8th referral = 5 JUGS and 5 demerits + Letter of Understanding

10th referral = 10 JUGS and 10 demerits Probationary Letter

12th referral = Discipline Board Referral and hearing

Discipline Board

The Discipline Board is made up of the Principal, the Director of Student Services, both Deans and five faculty members. Four of these faculty members are elected by the faculty and one is appointed by the Principal. The student's counselor and the Campus Minister also may be present at hearings. In the event a parent or student has not complied with a disciplinary contract, the student will be sent to the Discipline Board. The Board works with the Principal and the Deans in handling severe disciplinary violations, which could lead to expulsion.

Financial Restitution

Any damage caused by a student, including defacing school property, is the financial liability of his/her parents. Any fees are the financial responsibility of his/her parents as well. This includes any unpaid fines due to books, unpaid lunch accounts, or school fees of any kind. Report cards, transcripts, and graduation privileges will not be issued/granted until all such bills are paid.

Probation

A student may be placed on probation for what is determined to be a serious violation of the proceeding codes and policies. The records of students placed on probation during the current school year are subject to review by the School Disciplinary Board at the end of the school year. At that time, the student may be asked not to return to Fenwick.

Grounds for probation include but not limited to all of the policies set forth above.

Procedures

1. The Deans/ Administration shall determine if cause for probation exist.
2. When a student is placed on probation, the probation is designated as being for:
 - a) Attendance Probation
 - b) Academic Probation
 - c) Disciplinary Probation
3. In addition to the previously mentioned types of probation, Fenwick may require notification to an outside agency, as recommended by the Fenwick High School Social Worker, for an appointment in which the student will voluntarily attend an assessment if the infraction of regulations involves any illegal substances or certain serious behavioral issues. Upon conclusion of the assessment, the student must follow any and all recommendations provided and have an official copy of results and recommendations forwarded to Fenwick High School. The Fenwick Social Worker has permission to contact and discuss the results of the assessment and receive information from anyone conducting the assessment or follow up work.
4. In the event that the infraction committed is illegal by any measure, Fenwick High School reserves the right to refer the situation to the appropriate law enforcement agency for possible prosecution. This is especially the case in any situation involving assault or illegal substances.

Suspension

Grounds for suspension include but are not limited to:

1. Violation of school regulations that suggest or impose suspension as a possible consequence of misconduct.
2. Actions which interfere with or threaten an individual person and/or the

orderly function of school activities including classroom, co-curricular and athletic activities.

3. Past-due tuition accounts, not brought current after notification from the Business Office.

Procedures

1. One of the Deans shall determine if cause for suspension exists. In some cases, they may hold the suspension in abeyance and substitute another penalty. There are both in- school and out-of-school suspensions.

2. If cause for suspension exist, a Dean shall:

- a) Immediately remove the student from the academic or extra-curricular areas of the school and orally give reasons for suspension.
- b) Notify parent(s) or guardian(s) of the reason(s) for the suspension from class and/or school. No pupil shall be released from school during the school day until a parent or guardian is notified.
- c) Notify the parent(s) or guardian(s) regarding the corrective measures necessary for the student to regain the privilege of returning to class or school.

3. In addition to the previously mentioned procedures, Fenwick may require notification to an outside agency, as recommended by the Fenwick High School Social Worker, for an appointment in which the student will voluntarily attend an assessment if the infraction of regulations involves any illegal substances. Upon conclusion of the assessment, the student must follow any and all recommendations provided and have an official copy of results and recommendations forwarded to Fenwick High School. The Fenwick Social Worker has permission to contact and discuss the results of the assessment and receive information from anyone conducting the assessment or follow up work.

Expulsion

Grounds for expulsion include but are not limited to:

1. Violations of those school regulations that impose or suggest expulsion as a disciplinary measure.
2. Violations of any Village of Oak Park ordinance or State or Federal Law.
3. Any extreme behavior that demonstrates a flagrant disregard for the rights, property and well-being of others.

4. Violation of probationary terms.

Procedures

1. The Deans shall determine if suitable cause exists for possible expulsion.

2. If cause for possible expulsion exists, the Deans shall:

a) Follow the general procedure for suspension.

b) Request the Principal to convene the Disciplinary Board. The Board will then meet with the student and the parent(s) or guardian(s), if they wish to attend, to examine the nature of the offense(s) after the suspension has been served (last day of the suspension).

c) In conjunction with the Principal, ask the Disciplinary Board to make recommendations concerning dismissal or some suitable corrective measures that will enable the student to become an effective member of the Fenwick community.

3. In addition to the previously mentioned procedures, Fenwick may require notification to an outside agency, as recommended by the Fenwick High School Social Worker, for an appointment in which the student will voluntarily attend an assessment if the infraction of regulations involves any illegal substances. Upon conclusion of the assessment, the student must follow any and all recommendations provided and have an official copy of results and recommendations forwarded to Fenwick High School. The Fenwick Social Worker has permission to contact and discuss the results of the assessment and receive information from anyone conducting the assessment or follow up work. This is only if corrective measures are pursued.

4. In the event that the infraction committed is illegal by any measure, Fenwick High School reserves the right to refer the situation to the appropriate law enforcement agency for possible prosecution. This is especially the case in any situation involving assault or illegal substances.

5. The Principal, or his designated representative, will inform the parent(s) or guardian(s) about the decision on the student's status. If the final decision is expulsion, the student will be expelled effective immediately.

After the three days, the expulsion decision will be enacted and will be reflected on the student's transcripts. If another school requests information about discipline, Fenwick High School will comply with the request as appropriate under Illinois Law.

Academic Dishonesty

Academic Dishonesty is considered a serious infraction of the rules listed within this handbook and/or any classroom policies or guidelines. Academic dishonesty can include, but is not limited to, any act of cheating, copying, plagiarism, the use of any electronic device without explicit permission, and the posting/ sharing of any academic material without permission.

First incident in their time at Fenwick:

1. The teacher conferences with the student as to why the situation is academic dishonesty.
2. The teacher reports the incident to a dean and makes the counselor aware of the situation.
3. The teacher informs the parent(s) about the incident in a conference call with a dean or counselor.
4. A zero is recorded for the assignment.
5. The dean drafts a letter outlining the incident and future consequences of cheating.
6. A letter is placed on file with the deans and counselor.

Second incident in their time at Fenwick:

1. The teacher conferences with the student as to why the situation is academic dishonesty.
2. The teacher reports the incident to a dean and makes the counselor aware of the situation.
3. The teacher informs the parent(s) about the incident in a conference call with a dean or counselor.
4. A zero is recorded for the assignment.
5. The dean sends a letter outlining incident and notifies parents of punitive measures and future consequences (imposes at least 5 detentions and 5 demerits; 10 and 10 if major test or final).
6. A letter is placed on file with the deans and counselor.

Third incident in their time at Fenwick:

1. The teacher conferences with the student as to why the situation is academic dishonesty.
2. A zero is recorded for the assignment.
3. The teacher writes a dean a referral for academic dishonesty detailing the incident and informs the counselor of the incident.
4. The teacher and a dean inform the parent(s) about the incident in a conference call. The dean also informs the parent(s) that the Academic Review Board will meet to consider the expulsion of the student from Fenwick High School for repeated acts of academic dishonesty. The parent(s) and student will be invited to meet with this Board.

Academic Review Board

The Academic Review Board is made up of the Principal, the Director of Student Services, both Assistant Principals, both Deans and appointed faculty. The board reviews a student's records when cause for academic dismissal exists.

Appeals Process

With all decisions of consequences given to a student due to disciplinary, attendance, or academic infraction, parents have the right to an appeal. To begin the process, a parent must state (in writing) that they would like the Academic or Disciplinary Board to review the decision rendered. This letter must be given to the Principal within three days of the original decision. At the conclusion of this process, the Disciplinary or Academic Board may lessen the consequence or render a consequence of a higher penalty

PERSONAL APPEARANCE AND DRESS CODE

In the spirit of Fenwick's best tradition, we wish to maintain and enhance a norm of personal appearance which reflects self-respect, neatness and a sense of school identity. It has been our experience that, with the support of the parents and faculty, these guidelines help to engender a positive climate for mature behavior which reinforces good academic performance. All clothing must be free of markings, tears and patches. Minor dress code violations will result in a JUG. Any questions about the appropriateness of the dress code should be referred to one of the Deans.

Students sent to the Dean's Office for dress code violations will be withheld from class until the violation is corrected. Examples of this would be the length of the skirt, needing to shave, unacceptable colors or clothing designs, or missing clothing such as shirts or wearing spirit wear on non-spirit wear days, etc. The student will be considered unexcused from any classes they miss due to the infraction, until the infraction is

appropriately corrected. This may mean a parent needing to bring appropriate clothing to school. If the infraction cannot be corrected, the student may be sent home. Please note: The student will receive 0's for missed work due to the unexcused absence from class.

Any student who cannot abide by the dress code due to injury or illness must have written permission from a Dean. To obtain permission, a note indicating the injury or illness must be written by the student's doctor.

Gentlemen's dress code

Hair: The student's hair must be neat, clean, and well groomed. Hair must be off one's face off the ears and above the collar. This includes no hair laying over the forehead. Severe, bizarre and extreme styles and colors are not acceptable. Absolutely no colors outside of blonde, black, brown, natural red, or auburn. The sides and the back of a boy's hair should be the same length (i.e. no punk, faux- hawk, Mohawk, braids, buns, etc.). Hair, in general, should not stand higher than two (2) inches for boys. Excessive side burns are not acceptable (nothing lower than the ear lobe). No more than one part can be in a young man's hair. It should be a straight part and no longer than 2 inches.

Shaving: The student's face is to be clean shaven. Students that are not clean shaven will be issued a detention and made to shave at school. If a student has sensitive skin, electric shavers can be provided. **We expect that this detail will be taken care of at home.**

Shirt: A solid color, dress shirt, long or short sleeve (black, white, off-white, French blue, light blue or gray) is required. All buttons must be buttoned and shirts must be tucked in so that the top band or belt of the slacks/trousers is visible.

Unacceptable shirts include polo shirts, T-shirts of any type, patterned shirts, and denim-look shirts. Any logo on a shirt must be smaller than a quarter unless it is a Fenwick monogram or the Fenwick shield.

Ties: A tie or bowtie must be worn at all times. Ties must be school appropriate.

Belt: Boys are required to wear a belt. No designs or extreme patterns.

Tattoos/Jewelry, Etc.: No excessive jewelry may be worn. Boys may not have any visible piercings or tattoos. Boys may not have painted finger/toe nails or wear make-up.

Slacks/Trousers: Only straight-leg dress slacks with no designs, excess stitching or ornaments (excessive snaps, buttons or buckles) may be worn. Slacks must be brown, navy, gray, tan or black and be worn at the waist with a belt. Corduroy and khaki material is acceptable as long as they are cut as dress slacks or a regular fit, business casual pant.

Unacceptable slacks include blue jeans (or any pants made of denim material or a jean

style), pants with leg-cargo pockets, military pants, plasterers/painters trousers, pants with extremely tapered legs or belted ankles, any trousers of extreme style or color, trousers sold as "dress" slacks but of a "faddish" casual nature or any active/casual wear.

Undershirts: Undershirts must be solid colors (white, gray, black, off-white) and free of any wording or design.

Socks: Socks during the school day must be worn. Socks must extend above the ankle joint.

Ladies' dress code

Hair: The student's hair must be neat, clean and well groomed. Severe, exotic, bizarre and extreme styles and colors are not acceptable. Natural colors are the only colors that girls should have. Absolutely no colors outside of blonde, black, brown, natural red, or auburn.

Blouses/Shirts: A solid colored, long or short sleeve dress shirt with a collar (black, white, off-white, French blue, light blue, or gray) may be worn. The dress shirt must be free of any crests, lace, or embellishments. White, off-white, gray, navy or black solid colored turtleneck may be worn. All shirts must be long enough to be tucked in so that the top band or belt of the skort/ pants is visible. All shirts should be loose-fitting. Any logo on a shirt must be smaller than a quarter unless it is a Fenwick monogram or the Fenwick shield.

Unacceptable shirts include polo shirts, T-shirts of any type, patterned shirts, and denim-looking shirts.

Skorts: All classes have a choice of one of the three patterns available through Lands' End. Skorts have to be free of tears, markings and patches. They must be worn no shorter than 3 inches above the knee and the Fenwick shield must remain intact and in the proper location. Pants cannot be worn under the skirts at any time.

Slacks/Trousers: The young ladies of Fenwick have the option to wear pants. Only full length, straight leg dress slacks with no designs, excess stitching or ornaments (excessive snaps, buttons or buckles) may be worn. Slacks must be brown, navy, gray, tan or black and be worn at the waist **with a belt**. In addition, the pants cannot be tight fitting. Corduroy and khaki material is acceptable as long as they are cut as dress slacks or a regular fit, business casual pant. We recommend purchasing pants through Lands' End to ensure proper fit.

Unacceptable slacks include blue jeans (or any pants made of denim material or a jean style), pants with leg-cargo pockets, military pants, plasterers/painters trousers, pants with extremely tapered legs or belted ankles, any trousers of extreme style or color, trousers sold as "dress" slacks but of a "faddish" casual nature or any active/casual wear. No pants that are or resemble leggings or jeggings in style, material, or fit.

Make-up/Tattoos/Jewelry: No excessive make-up, extreme nail designs or jewelry may be worn. Girls may wear only one stud or small looped earring in each ear lobe (loops must be smaller than a nickel). There should be no other visible piercings or tattoos of any kind.

Undergarments: Undergarments must be worn. In addition, the shorts provided under the skirt should not be altered or cut out.

Stockings/ tights: Solid color stockings (nylons or tights) that match the uniform skirt (black, gray, or white) may be worn. Patterns are not allowed. If you choose not to wear stockings/ tights, socks must be worn.

Socks: Socks during the school day must be worn. Socks must extend above the ankle joint and should not extend above the knee.

All students

Suit coats/ blazers: Must be solid black or navy blue.

Sweaters: It is recommended that students wear a sweater, sport coat or blazer during the colder months. Sweaters from Lands' End and Schoolbelles must be uniform black, gray, Navy blue or white in the cardigan, V-neck or crew-neck style. If sweaters are worn that have brand logos (i.e. Polo, Ralph Lauren, etc.), the logos cannot be larger than a quarter coin. All sweaters should be free of secondary colors, patterns or designs. No other logos, besides those smaller than a quarter and the Fenwick shield, are acceptable on sweaters.

Black, white, gray or navy quarter-zips sweaters purchased from Lands' End and those purchased from the Friar Shop and have a Fenwick logo are allowed. Other quarter-zips are allowed as long as they follow the colors above and the logo is smaller than a quarter. All Fenwick crewneck sweatshirts from the Friar Shop may be worn as long as they are black, white, gray or navy.

Unacceptable in-school wear includes non-Fenwick sweatshirts (no other sweatshirt may be worn), any hooded item, outside coats or jackets, athletic gear and cover-ups that give the appearance of being strictly casual. No bright colors, patterns, or designs are acceptable with suit coats/blazers or sweaters.

Shoes: Students must wear black, brown, navy, tan or gray dress shoes. Shoes should be in a penny loafer style or a dress shoe style. Any shoe that has a sneaker resemblance or sneaker bottom is not acceptable.

Other unacceptable shoes include moccasins, sandals, slippers, shoes without backs, multi-colored (no glitter, sequins, or sparkles) shoes, athletic shoes of any kind (except when injured and given permission by the Dean) and boots.

Liturgy and Special Assemblies: The regular dress code is in effect for liturgy days and special assemblies. All students must also wear blazers/suit coats on these occasions.

Blazers/suit coats should be of a solid color (black or navy blue). Bright colors, patterns or designs are not acceptable.

Field Trips: For all field trips and/or activities during the school day outside of the school, students will be expected to be in dress code unless otherwise approved by the Dean of Students.

Summer School: The dress code for young men and young ladies is the absolute same as stated above with the exception of the uniform shirt. For summer school, boys and girls will be allowed to wear uniform polo shirts available in white, gray, navy, or black through Lands' End or any other vender as long as logo that appears on the shirt is smaller than a quarter coin.

All uniform materials are available through Lands' End and Schoolbelles Uniform Company. For Land's End clothing go to Landsend.com and look under school center or visit any local Land's End store or vender. For Schoolbelles information call 708-598-8008 or 1-800-548-3883.

School Dances

The purpose of a Fenwick school dance is to provide a safe activity for students to enjoy the friendship of other students and to learn acceptable social skills. To accomplish this purpose, parents should direct their sons and daughters in the manner of dress and behavior that is appropriate for teenagers who are attending a high school with Catholic values and standards.

Formals and tuxedos, corsages and boutonnieres are appropriate only for formal occasions such as the senior prom. Allowing students to overdress for occasions such as Homecoming, the Junior Date Dance and the Turnabout Date Dance, or to travel in limousines or chartered buses, encourage social competition between students instead of the development of genuine friendship among all Fenwick students. For school dances, students and their guests should wear tasteful and appropriate clothing. Dresses that expose the midriff must not be worn. In addition, dresses should be no shorter than to the top of the knee. Boys should wear dress pants and a suit coat or sports coat. Because dances are school-sponsored functions, the school policy regarding make-up, tattoos and jewelry must be followed. Any questions about appropriate attire should be referred to one of the Deans.

Adults should never sanction the drinking of alcoholic beverages, including wine and beer, before or after a dance. If a student is found to be under the influence of alcohol or drugs during a dance, he or she will be removed from the dance and parents will be called. The student will be subject to any and all consequences stated in this handbook for alcohol/ drug possession, distribution or consumption.

TECHNOLOGY DEPARTMENT

Internet and Technology Acceptable Use Policy

Purpose

Fenwick High School provides Internet and Technology services for faculty, staff, students and parents solely for educational purposes. To further our commitment to excellence, the Fenwick Technology Department guides and develops the school's use of technology in the classroom and throughout the institution.

To enhance communications between members of the Fenwick community:

- All faculty members, students and staff will be provided with a Fenwick e-mail address.
- Bulletins are emailed to all faculty, students and parents.
- Those parents who sign up for the Fenwick Emergency Notification System will receive an automated phone call when important notices need to be given. It is important that we have your correct phone information on file with Student Services. Please notify us of any changes.

Students are encouraged to develop their computer skills and their knowledge of how technology can enrich and affect their lives throughout their academic program of studies. To support this goal:

- Students will have access to the Internet and the school network via a school computer or personal iPad only. Laptops and Smart Phones will not be allowed on the school network.
- Students will have a network and an online folder available to store files

Fenwick's electronic network is not a public forum for general use. Users should not expect that email or files stored on Fenwick servers will be private.

Parents and students are asked to read and sign the Fenwick High School Internet Acceptable Use Policy. Students must abide by this policy. Disciplinary action may be taken for violation of these guidelines.

Freshman and Transfer Students are asked to complete the Internet and Technology Acceptable Use Policy form and return it to the Technology Department. If you have further questions, please contact the Technology Department at extension 322.

Scope

Access to the Internet at Fenwick High School makes educational resources, global research, and communications easily available for promoting academic excellence and personal growth. The purpose of this policy is to guide and direct students in their use of the Internet and technology at Fenwick High School.

Guidelines

The use of the Internet, computers and technology is a privilege, not a right. Any violation of these guidelines, as determined by teachers and/or supervisors, may result in disciplinary action.

1. All Internet activities should be consistent with Fenwick High School's Mission as stated in the Parent-Student Handbook.
2. Be polite and exemplify good citizenship.
3. Respect the copyright laws. Give credit to the author of reproduced resources. Assume the information posted by another person is copyrighted.
4. Use appropriate language. Swearing, vulgarities or any abusive language are unacceptable.
5. Respect another person's right to privacy and confidentiality.
6. Network storage is only as private as a school locker. From time to time files may be reviewed for integrity and to see that users are using the system responsibly. Storage of personal files other than those which pertain to a student's academic work is not to be stored on the network. All files will be deleted on July 1st following graduation or at the time of withdrawing from school.
7. Report to a supervisor or teacher any e-mail messages that make you feel uncomfortable or that may be deemed inappropriate or threatening.
8. Notify a supervisor or teacher immediately if any breach of security is noticed.
9. Notify a supervisor or teacher if you inadvertently access inappropriate information. This will protect you against any accusations of violating this Internet and Technology Acceptable Use Policy.

Unacceptable Behavior

1. Damaging or mishandling computer equipment.
2. Using another person's account.
3. Disclosing personal information about yourself or another person such as name, address, phone number, social security number or credit card number.
4. Giving your password to anyone other than a supervisor when needed for maintenance or assistance.
5. Authoring, accessing, sending, or receiving information that would be considered offensive, defamatory, abusive, harassing, obscene, sexually oriented, illegal, unethical or inappropriate for a school setting.
6. Illegal or unauthorized downloading of software or other files.
7. Sending anonymous messages or using the system in any manner, which violates the Fenwick High School Parent/Student Handbook.
8. Plagiarizing ideas or works of another person.
9. Using the network for commercial or private advertising, for personal or financial gain, or for political fundraising or campaigning. This includes offering, providing, or purchasing products.
10. Destroying or damaging software or hardware equipment of the network or of

another user. This includes spreading of viruses, destroying another user's data or defacing/damaging computer equipment.

11. Removal from the premises of any computer equipment, software, or peripherals.
12. Attempting to break into the security of the network. (Looking for a breach in security will be interpreted as an attempt to break into security.)
13. Agreeing to meet with someone who was contacted online
14. Wasting limited resources, such as printing unnecessary information.
15. Use of VPNs to circumvent the Fenwick Web Filter.
16. Illegal activities—use of the school's Internet/email accounts for financial or commercial gain for any illegal activities is strictly forbidden.

It should be noted that the violations of the School's **Internet and Technology Acceptable Use Policy** may result in discipline, suspension, or expulsion. Students also should be aware that the use of social-media sites or the Internet in general, which violate any Fenwick policy, may subject the student to discipline, including suspension or expulsion. The Technology Department reserves the right to modify this policy without notice and to restrict the use of the network by students.

Children's Internet Protection Act (CIPA)

The Children's Internet Protection Act (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the Internet.

What CIPA requires

Schools and libraries subject to CIPA may not receive the discounts offered by the E-rate program unless they certify that they have an Internet safety policy that includes technology protection measures. The protection measures must block or filter Internet access to pictures that are: (a) obscene; (b) child pornography; or (c) harmful to minors (for computers that are accessed by minors). Before adopting this Internet safety policy, schools and libraries must provide reasonable notice and hold at least one public hearing or meeting to address the proposal.

Schools subject to CIPA have two additional certification requirements: 1) their Internet safety policies must include monitoring the online activities of minors; and 2) as required by the Protecting Children in the 21st Century Act, they must provide for educating minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and cyberbullying awareness and response.

Fenwick fulfills these requirements in the following way:

1. SonicWALL NSA 5600 Firewall Content Filter
2. Meraki Wireless System Firewall and Content Filter
3. iPad Digital Citizenship summer and online class
4. Providing open forums to parents to present policies during Freshman Orientation days, FAB, and Mother's and Father's Clubs meetings

Printable form available online at the Fenwick Website
FENWICK HIGH SCHOOL
Internet and Technology Acceptable Use Policy
Information Form

Please note: Students will not have access to technology services until this form has been received by the Technology Office.

Student

I have read the Fenwick High School Internet and Technology Acceptable Use Policy and agree to follow these guidelines.

Signed: _____ Date: _____

Parent/Guardian

I have read the Fenwick High School Internet and Technology Acceptable Use Policy and have discussed it with my child. I understand that violations of this policy may result in disciplinary action being taken by the school against a student.

Signed: _____ Date: _____

STUDENT INFORMATION (please read carefully, especially students!)

Your Fenwick email address will consist of the following: The last two digits of your Class year + initial of your first name + your last name @my.fenwickfriars.com. E.g., Greg Smith a member of the Class of 2023 would have an email address of 23gsmith@my.fenwickfriars.com. The information preceding the@ sign is your **UserID** for network access. If a UserID conflicts with another student, we will consider also using the person's middle initial.

Graduation Year: _____ First Name: _____ Last Name: _____

PLEASE NOTE: YOUR INITIAL PASSWORD FOR ACCESS TO COMPUTERS IS FENWICK+YOUR STUDENT ID NUMBER,

e.g., fenwick230000. Your student ID number will be found on your class schedule or on your student

ID. When you log in on a computer at school for the first time, you will be asked to change your

password. Passwords must be at least 8 alphanumerical characters long.

Your computer password will give you access to many services. Please refer to the Student Handbook

PARENT/GUARDIAN INFORMATION

If you wish to be contacted via e-mail regarding school activities, please provide us with your e-mail address(es):

Parent/Guardian Name(s): _____

E-Mail Address(es): _____

Network & Internet Accounts

Upon enrollment, a student will be given a Fenwick Computer Network account. This account allows a student to use either a desktop computer or a laptop while in school.

Username

A student (e.g., John Quincy Adams) username will be in the format of:

23jadams

Where 23 is the last two digits of the students graduating year, in this case 2023. “j” is the first initial of the first name (from John), and “adams” is the last name. If there are conflicts where two students would have the same username, one of the students will have to use a middle initial in the username. In this example, it would be

23jqadams

Passwords

Student accounts are created with an initial temporary password. The password is a combination of the word “fenwick” and the student ID number, which can be found on the student schedule. The password would look like the following:

fenwick123456

PLEASE NOTE: Passwords expire every six (6) months. To update or change a password, the student must log onto a Fenwick computer. Once logged in, press the CTRL+ALT+DEL keys again, and choose Change Password and follow the prompts. The Technology Department cannot view passwords but can reset passwords when needed. It is the responsibility of the student to keep the password safe and up to date. Once the password has been changed or updated, the student can access other Internet services that Fenwick provides, using their Fenwick Network Credentials. With an active Fenwick Network account, the student can access the following services:

Fenwick Gmail
Fenwick Website
Schoolology
Office365.com
Fenwick Wireless Air printing
Fenwick Wireless Networks
Google Suite services

Email & Other Accounts

Every student is given a Fenwick Gmail email account. The email address is like the username, but with the added domain suffix:

23jadams@my.fenwickfriars.com

A student can access their email via the Fenwick Website by clicking on the Email link, or by simply going to gmail.com and entering their valid Fenwick Network credentials. For a student to access email, the student must have changed the initial temporary password. Signing into email will also give student's access to Google Drive, Google Calendar, and many other Google services.

Schoology - Students

Fenwick is using Schoology as its Learning Management System (LMS). For an overview of Schoology, please visit <http://www.schoology.com>.

Teachers will use Schoology for their gradebook, as well as to distribute handouts, lessons, or class materials. To log into Schoology, students must use the following link: <http://fenwick.schoology.com>

The student will be directed to a Microsoft Login page, where the student must use their Fenwick email address for username and Fenwick network password.

If using the Schoology App, the student must use Log in through your School. Type in Fenwick and choose Fenwick High School (Oak Park). Sign in using your Fenwick credentials.

Username in this instance is the student e-mail address. When asked, then choose Work or school account.

Schoology - Parents

Parents need a twelve-digit access code, available from Fenwick, to setup their account and to log into Schoology. The Director of Student Scheduling and Data will email an access code to parents. If we do not have your email on file or if it has changed, please contact the Director of Student Scheduling and Data at mcollins@fenwickfriars.com. On the Schoology website follow the directions to complete the registration. Because this is an online service, parents can access this site whenever it is convenient for them at any time during the day.

Please visit the following link for step by step instructions:

<https://support.schoology.com/hc/en-us/articles/201000823-How-to-Sign-Up-as-a-Parent>

Office365.com

Fenwick provides student's access to Office365.com with an active Fenwick Network Account. Office365 contains Microsoft Word, Excel, PowerPoint and OneDrive software programs. Once logged in, the student can use Office Online or download the Full Office Suite on up to five different computers. Students also can download the Office Apps for an iPad or Android device. Once the apps are installed, the student must sign in through the Apps to unlock the full capabilities of the apps. The apps available are Word, Excel, PowerPoint, OneDrive for Business, and OneNote.

Students must use their full email address for the username.

Student Wireless Network for iPads

Fenwick has secure, wireless networks for the sole use of student iPads. Students must log into the system to have access to this high-speed network.

Students should connect to the Fenwick Open network that is secured via policies provisioned on the back end of our wireless system. New iPads must be taken to the Technology Office to be on boarded.

Library Printing

Students in the library print to the Canon Copier. When printing, choose the FollowMe printer in your list of printers. On the Copier, you must use your student ID number to release the job and print your document(s).

Fenwick Wireless AirPrinting

Fenwick has made available certain printers to students for printing from their iPads. Students will need to login when prompted when printing to the desired printer. Please use your Fenwick credentials to print to Fenwick printers.

Student Identification Cards

The Technology Office provides students with a Fenwick student ID card. The card will be distributed within the first two weeks of school. The ID card has a barcode that can be used with the lunch payment system: Mealtime. For information about adding funds to a student's card, please contact the cafeteria. Funds are stored online, not on the card. The card is used only to identify the student.

The student ID card also acts as a bus card for the Fenwick buses. The card will display a color- coded route designation that the student must show to the bus driver. The student ID card is also used to check out items from the Fenwick Library. Replacement ID cards are available from the Technology Office for \$5.00.

iPads

The 2014-15 school year marked the beginning of the Fenwick High School Digital Learning Initiative. Fenwick, that year, first introduced the use of Apple iPads students are required to purchase their own iPad for use over their high school career. For more information, please see the Fenwick website.

iPad Policy

The use of iPads at Fenwick was adopted to enhance the overall learning experience of students. Excellence in education requires technology to be seamlessly integrated throughout the educational process. The iPad, therefore, is seen first and foremost as a tool to be used in your education.

Caring for Your iPad

1. Students are encouraged to purchase protective covers/cases for their iPads.
2. The iPad screen is made of glass and subject to cracking and breaking if misused. Never drop nor place heavy objects on top of your iPad.
3. Only a soft cloth or approved laptop screen-cleaning solution is to be used to clean the iPad's screen. Never use water to clean your screen. (See the iPad manual for cleaning instructions.)
4. Do not subject the iPad to extreme heat or cold (do not store in vehicles).

Using the iPad at School

1. It is the student's responsibility for the following:
 - a. Maintain the security of your iPad always. Never leave it

unattended.

- b. To maintain his or her iPad in good working order, to be connected to the Fenwick network, have the appropriate apps downloaded and ready to be used in class every day.
2. iPads must be brought to school every day fully charged.
3. Loaner iPads will only be available through the Technology Office for students who have lost, damaged or had iPads stolen. See the Loaner Policy on the website.
4. Consequences for students who forget or do not have their iPads charged will be at the discretion of the teacher.
5. Sound must be muted in class unless the student has the permission of the teacher. Students should consider earphones. Students should not share earphones.
6. All content accessed at school on the iPad must be school appropriate and used in a responsible manner.
7. iPads may never be used in the bathroom or locker rooms. Turn your iPad off when entering the bathroom or locker room.
8. Printing will be available with the iPad. Students should talk to their teachers about which printers to use.
9. Office365 will be made available to all students on their iPads. Files created with Office365 may be stored in the "Cloud." It is the student's responsibility to transfer these files to his or her folder on the Fenwick network if that is required.
10. Games and other entertainment sites and/or apps are NOT to be accessed on your iPad during study halls, as there will be consequences.
11. Any use of iPads to record faculty, staff, or other students, without permission will result in a 10 and 10 being issued to the student.
12. No VPN apps: Using a Virtual Private Network (VPN) on our network will result in a loss of network privileges.

Academic Responsibilities of the Student

1. The use of the iPad in the classroom is always at the discretion of the teacher.
2. Students are expected to come prepared for class with all required apps and completed assignments on the iPad as directed by the teacher.
3. Class time will not be taken for downloading or updating your iPad or your apps. These activities must be done outside of class time.
4. When teachers specify an app for a class, students will be required to use that app.
5. Academic content takes precedence over personal files and apps. If you are low on memory, delete non-school apps or content.

Apps for school use

Below is a table of apps that are used for educational purposes. The table also lists the permissions the app will need. Two apps will ask for permission for the camera and microphone of the iPad. These permissions can be denied, as Fenwick does not require access to these two features of the iPad. Please be aware of all apps installed on the iPad and what permissions the apps request.

Fenwick recommended and required (*) Apps from the Apple App Store

Name	Function	Requested Permissions
Acrobat	Read PDF Documents	Siri
Chrome	Internet Browser	Location, Camera, Siri
Dictionary	Online Dictionary	Siri
Google Docs	Create\Open text documents	Siri
Google Drive	Cloud based storage	Siri
Pearson eText	Apps to download text books	Siri
Microsoft Excel	Create\Open spreadsheets	Siri
Google Earth	2D/3D map viewer	Siri
Google Keep	Note taking app	Siri
Kindle	App to download books	Siri
Laudate*	Catholic Resource App	Siri
LockDown Browser*	Secure Online Assessment	Microphone, Camera, Siri
Nearpod	Cloud based interactive activities	Siri
Notability	Note taking app, not free	Siri
Microsoft PowerPoint	Create\Open presentations	Siri
Quizlet	web based study app	Siri
Schoology	Student learning management system	Siri
Google Sheets	Create\Open spreadsheets	Siri
Google Slides	Create\Open presentations	Siri
TurnItIn*	anti-plagiarism app	Siri
Microsoft Word	Create\Open text documents	Siri

LockDown Browser, upon first use, will ask for permission to access the camera and microphone. Fenwick does not require use of the camera or microphone for LockDown Browser and recommends denying permission to the camera and microphone when prompted.

Chrome is an Internet Web Browser made by Google. Permissions can be denied as warranted, as Fenwick does not require the use of location, Camera or Siri.

CAMPUS MINISTRY

Campus Ministry at Fenwick High School focuses on the spiritual and faith development of the Fenwick community. Another focus is on promoting the Dominican identity of the school. The Director of Campus Ministry coordinates Masses and other liturgies, retreats (including Kairos), the Christian Service Project, and Campus Ministry Outreach. Counseling, spiritual direction, and the Sacrament of Reconciliation also are available through the Office of Campus Ministry. The Director of Campus Ministry is Br. John Steilberg, O.P. (jsteilberg@fenwickfriars.com; ext. 176).

All-School Masses and Liturgical Life

Daily Mass is offered in St. Dominic Chapel every school day at 7:30 a.m. (except Late Start days and All-School Mass days).

School Masses

Approximately once a month, the Fenwick community gathers in the Auditorium for Mass. This honors both our Catholic and Dominican heritages. As per the school dress code, students are required to wear sport coats for Mass. Because the celebration of the Eucharist is the “source and summit” of Christian life, an atmosphere of solemnity and prayer is expected to be maintained while entering the Auditorium, during Mass, and while exiting the Auditorium.

Silence while entering the Auditorium contributes to the atmosphere. Always remember that Mass is a prayer.

- Opening-of-School Mass
- Bishop Fenwick Day (September 25 or 26)
- All Saints Day
- Solemnity of the Immaculate Conception
- Feast of St. Thomas Aquinas
- Ash Wednesday
- Feasts of Dominican Saints throughout the year.
- Baccalaureate

Masses for teams and groups are also celebrated throughout the year.

Students have the opportunity to receive the Sacrament of Reconciliation at services held during Advent and Lent.

Prayer is offered at the beginning of each school day and at the beginning of each class.

Retreat Program

The purpose of the Retreat Program is to help provide a spiritual component to the

student's academic life. Every student participates in a retreat. The Fenwick High School Retreat Program is guided by the four Dominican Pillars of Prayer, Study, Community and Preaching. The ninth grade retreat is held in conjunction with Freshman Orientation and focuses on their introduction to the Fenwick community. The tenth-grade retreat coincides with the school's emphasis on service. Tenth graders participate in a half-day of service, which introduces them to the practice

of Theological Reflection and Social Analysis. These opportunities are scheduled throughout the year. The twelfth-grade retreat program, which follows the format of the nationally recognized Kairos retreat program, directs Fenwick students toward the development of an adult faith life. This program, while directed by faculty and staff, is primarily led by students. All students are required to participate in a senior retreat before they graduate.

Christian Service Project

The Christian Service Project (CSP) is an integral part of a Fenwick Friar's spiritual formation. Living a robust Christian life requires an intellectual knowledge of one's faith, which is gained by the assiduous study of Theology. It also requires a practical, lived-response to the Gospel challenge, which is provided by the CSP.

The CSP has been thoroughly reorganized to better meet the needs of Fenwick students. Beginning in the academic year 2015-16, ALL students are required to minister to God's people as a volunteer.

- Freshman will meet the requirement by participating in a Theology I class project.
- Sophomores will meet the requirement by participating in an off-site retreat & service day with Catholic Charities and/or the Fenwick Young Alumni Association.
- Juniors will meet the requirement by serving twenty-five (25) hours at a pre-approved service site.
- In the academic year 2019-20, seniors will meet the service requirement by serving fifteen (15) hours at approved sites and/or by participation in select Fenwick-based ministries.

The CSP will be administered by the Office of Campus Ministry and the members of the Theology Department. For more information, please consult your class Schoology page (under "Resources") before contacting Br. John Steilberg, O.P. (jsteilberg@fenwickfriars.com, ext. 176).

PARENTS

Parental Guidelines

The Fenwick Administration and Faculty seek to work with parents to provide an environment for the students that encourages responsible and healthy lifestyle decisions. As part of our responsibility to prepare students for college and life beyond, we take the code of student behavior very seriously. We ask that parents respect and follow these guidelines.

1. At Fenwick student-focused events, such as team parties and award ceremonies, alcohol cannot be served even to adults. This is an important way to demonstrate to students that people can have fun without consuming alcohol. We request that you follow that same guideline when hosting pre-dance parties. Taking photographs at someone's home can be enjoyed by both students and parents without adults drinking alcohol in front of the students. We send a clear message to students with our own behavior.
2. Talk to your son/daughter about your views on the use of alcohol, drugs, and tobacco. It is important that they know your values and will learn from what you say and what you do. Also, help them understand that other values matter: a set of values held by their school, which translates into a code of behavior, and a set of values held by their society, which results in laws.
3. Make sure that your son/daughter is aware that one important consequence of conduct warranting discipline is that many college applications ask if the applicant has ever been suspended or put on probation. Fenwick is asked to report significant disciplinary measures to a student's prospective colleges.
4. The Illinois High School Association and the Chicago Catholic League have very strict regulations barring the presence of alcohol at athletic events. Please note that schools that violate this policy will not be allowed to host IHSA events. We strongly urge parents to enjoy Fenwick events **WITHOUT** consuming alcohol before or during these events.
5. In accordance with state laws and local ordinances, alcohol cannot be purchased for nor served to any person under the age of 21. Persons who serve alcohol to underage drinkers or permit alcohol to be consumed by teenagers in their homes not only endanger the health and well-being of those persons and open themselves to serious legal and financial consequences, but may also be engaging in conduct that leads to their child or other students being disciplined, suspended, or expelled.
6. Parents are required to treat faculty and staff members with respect and to comply with each faculty/staff members' reasonable guidelines governing parent meetings.
7. Parents will conduct themselves in a reasonable manner at all athletic and other school related events so as not to act in a manner that reflects negatively on Fenwick High School or its reputation. A violation of this guideline may result in a parent being prohibited from attending athletic or school-related or sponsored events or may be subject to adverse action.
What should you do when other parents allow students to drink alcohol in their homes?

STUDENT ACTIVITIES

Fenwick High School offers a wide variety of activities and clubs aimed at highlighting the interests of our student population. Fenwick activities focus on creating an inclusive experience for all interested students involved.

The National Honor Society

Membership in the National Honor Society (NHS) is both an honor and a responsibility. Students selected for membership are expected to continue to demonstrate the qualities of scholarship, service, leadership and character. Failure to do so may result in probation and/or dismissal from the society.

Membership in the Fenwick chapter of the National Honor Society is open to juniors during the second semester of the school year or to seniors in the first semester of the school year. While any student may apply only once to the NHS, any junior/senior with a GPA of 3.6 or above meets the scholarship requirement for membership in the society. These students are then eligible for consideration on the basis of leadership, service, and character.

Each eligible student is asked to submit one survey form to determine interest in membership and to provide at least two letters of recommendation from teachers, coaches, and moderators of clubs or some person who can attest to the student's leadership, service and character.

In electing the members of the honor society, a faculty council meets to review the surveys and letters of recommendation. Election of members is by majority vote of the faculty council. Students should understand that the survey, recommendations, and review by the council does not guarantee election to the chapter. The names of the students elected to the society are announced in May and October. Examples to help the student understand the idea of leadership, service, and character include but are not limited to the following:

Leadership

The student who exercises leadership:

1. Exercises influence on peers in upholding school ideals.
2. Exemplifies positive attitudes.
3. Inspires positive behavior in others.
4. Demonstrates academic initiative.
5. Successfully holds school offices or positions of responsibility, conducts business efficiently, and is reliable and dependable without prodding.
6. Demonstrates leadership in the classroom, at work, and in school activities.
7. Is thoroughly dependable in any responsibility accepted.

Service

The student who serves:

1. Participates in some outside activity: Boy/Girl Scouts, church groups, volunteer services for the aged, poor or disadvantaged; family duties.
2. Cheerfully and enthusiastically renders any requested service to the school
3. Is willing to represent the class or school in interscholastic competition.

4. Shows courtesy by assisting visitors, teachers, and students.

Character

The student of character:

1. Takes criticism willingly and accepts recommendations graciously.
2. Upholds principles of morality and ethics.
3. Demonstrates the highest standards of honesty and reliability.
4. Shows courtesy, concern, and respect for others.
5. Manifests truthfulness in acknowledging obedience to rules. Avoids academic dishonesty in written work and shows an unwillingness to profit by the mistakes of others.

Non-Selection

Not selecting students who are academically eligible can present a difficult situation for the students and their families. Schools are not obliged to share with parents and student information concerning the non-selection of specific students. Due process requirements are not applicable in non-selection cases.

Activities and Clubs

Art Club

The Art Club is open to any student interested in drawing and painting. Ms. Tracy Carey is the moderator.

Bass Fishing Team

The Bass Fishing Team provides students with an opportunity to learn fishing skills and participate in a variety of fishing contests. All students are welcome. Mr. Peter Lamkin is the moderator.

Best Buddies

Best Buddies empowers youth to become advocates for people with intellectual and developmental disabilities by organizing and attending special events that promote advocacy and bring awareness to the disability-rights movement. Mr. Kyle Kmiecik is the moderator.

Blackfriars Guild

The Fenwick Blackfriars Guild produces three shows a year. Mr. Roger Finnell is the moderator.

Black Student Union

Fenwick High School's Black Student Union is organized to create more diverse activities for the student body, to raise cultural awareness, and to educate about being Black in today's society. Mr. Moland and Ms. Stephanie Harris are the moderators.

Broadcasting Club

The Broadcasting Club provides students with an opportunity to create news broadcasts covering school events and happenings. Mr. Rick O'Connor is the moderator.

Business Club

The Business Club provides students an opportunity to learn from professionals in various fields about relevant topics in today's business environments. Dr. Gerald Lordan moderates.

Chess Club

The Chess Club is open to all Fenwick students, whether they want to learn how to play or to better their game. There is club competition for those desiring it. The top players form the Chess Team and will represent Fenwick in interscholastic competitions. Dr. Jonathan King is the moderator.

Community Outreach (Key Club)

The Key Club is community service-based club that works to build leadership skills and foster the importance of giving back in high school students. Mr. Michael Slajchert is the moderator.

Debate Team

The Debate Team is an award-winning competitive program on the local and national circuit. Mr. Arthur Wieckiewicz is the moderator.

The Environmental Club

The environmental club is open to any student interested in making Fenwick a "greener" school. The club has started the school's recycling program and has installed solar panels on the roof. Field trips to restore forest and wetland ecosystems are conducted during the year. The club also coordinates activities that promote awareness of environmental issues and propose solutions within the school, home, and community. Ms. Elizabeth Timmons is the moderator.

The Equality Club

The Equality club aims to educate the Fenwick community and student body on opportunities to support oppressed groups and to work to alleviate social justice issues. Ms. Mary Visteen is the moderator.

Friar Mentors

Student tutors provide academic support for their peers in this very helpful organization. Ms. Samantha Carraher is the moderator.

History Club

The History Club sponsors Fenwick's Model U.N. Mock Trial. In addition, it conducts trips, debates, discussions and speaker presentations. Dr. Gerald Lordan is the moderator.

HOLA

Hispanic Outreach, Latino Awareness is dedicated to the ideals of service, study, and community as it relates to the Hispanic community. It is an all-inclusive organization. Ms. Laura Gallinari is the moderator.

International Relations Club

The International Relations Club provides for open discussions on persons' homelands

and human relations. Ms. Shana Wang is the moderator.

Language Clubs

The Language Clubs give students a taste of different cultures beyond what is learned in the classroom. The clubs attend have sponsored parties and restaurant trips, and also attend lectures.

Literary Magazine (Touchstone)

The Literary Magazine features student writings and artwork. Ms. Laura Gallinari is the moderator.

Math Competition Club

This club is for the student who wishes to try more challenging math problems, to have extra preparation for college entrance tests, and to compete with other students at local and national levels. Competition is held between club members every two weeks and members also compete in the Illinois and National Mathematics Leagues. In 2002, we were state champions. Mr. Roger Finnell is the moderator.

Martial Arts Club

Members of this club are instructed in the Korean martial art of Hapkido (the art of coordinated power). Mr. Tony McCormick is the moderator.

Medical Club

Students are given an opportunity to explore medical practices and issues of the modern day. Mr. Tim Menich is the Moderator.

Model United Nations

Students benefit from engagement with current world issues, learn how the United Nations functions, and encounter other students from around the nation and world. Mr. Gary Richied is the moderator.

PAWS Club

PAWS Club advocates for humane treatment of animals, promotes responsible pet ownership, and introduces students to various opportunities for volunteering and/or career work in various animal-related fields. Ms. Erin Power is the moderator.

Photography Club

This club allows students to learn about and enjoy photography. Beginners and experts are welcome to explore the world of photography. Mr. John Paulett is the moderator.

Poetry Club

This Club allows students to achieve self-expression and enhance our literacy through the writing and performance of poetry. Ms. Kim Kotty is the moderator.

The Respect Life Club

Fenwick's Respect Life Club seeks to promote and uphold the dignity of all human life from conception until natural death. Mr. Gary Richied is the moderator.

Robotics Club

This club allows students to design, build, and program their robots from the ground up. Mr. Peter Lamkin is the moderator.

S.A.D.D.

Students Against Destructive Decisions concerns itself with the education of the school community with regard to the dangers of substance abuse. Ms. Nancy Drennan is the moderator.

Sailing Club

This new club is a co-ed competitive sailing team that practices and competes out of Monroe Harbor in Chicago. It is active in both the fall and spring seasons.

Scholastic Bowl

Scholastic Bowl is an activity where teams from different schools compete by answering questions based upon different subject areas such as math, science, literature, religion, mythology, philosophy, economics, history, music, art and current events. Mr. Dan Rodde is the moderator.

Speech Team

Speech offers a unique opportunity for any student to express his/her individual speaking and dramatic talents in a competitive atmosphere. Ms. GERALYN MAGRADY is the moderator.

Student Book Club

Student Book Club offers students the opportunity to read and discuss books of their choosing, whether it be fiction, non-fiction, fantasy, mystery, etc.

Student Council

The Fenwick High School Student Council is responsible for organizing social and extracurricular events for the school. Ms. Kimberly Kotty and Mr. Ray Kotty are moderators.

TEAMS

Tests of Engineering Aptitude, Mathematics, and Science (TEAMS) is an annual competition for high school students designed to help them discover their potential for engineering. Mr. Kevin Roche is the moderator.

Touchstone

Touchstone is Fenwick's student magazine, featuring student writing and artwork. Ms. Laura Gallinari is the moderator.

Tri-M Music Honor Society

The Tri-M Music Honor Society is the national program of the National Association for Music Education (NAfME), which focuses on creating leaders in music education and

music advocacy. Ms. Rizelle Capito is the moderator.

The Wick

The Wick is Fenwick's award-winning newspaper. Mr. Gerard Sullivan is the moderator.

The Write Place

The Write Place is designed to assist Fenwick High School in fostering a culture of writing. Mr. Mark Hackman-Brooks is the moderator.

WYSE

The Worldwide Youth in Science & Engineering (WYSE) Academic Challenge is a competitive series (i.e., regional, sectional, state) of tests created and administered by the University of Illinois and offered to high school students in Illinois and Missouri. Mr. Dave Kleinhans is the moderator.

Eligibility

Eligibility for all clubs and activities will be handled by the principal in coordination with each club/activity's director.

Disciplinary

All students are expected to adhere to all school regulations and policies. Failure to do so may result in the student losing his/her privilege to participate in their club.

Financial

Students with delinquent accounts, thirty (30) days past due, will not be allowed to participate in clubs until tuition is current.

Scholastic

IHSA activities abide by the athletic eligibility rules.

ATHLETICS

Interscholastic activities are an important aspect of any high school. Participation in high school athletics is an extension of what happens in the classroom. The opportunity to participate in a variety of sports is open to all Fenwick students. Such participation is a privilege, not a right. Therefore, those who choose to engage in these sports must abide by certain rules.

At the high school level, students do not declare an academic major. Rather, they take courses across the curriculum offerings. Similarly, students who take part in athletics are encouraged to participate in multiple sports rather than choosing a single sport. By participating in multiple sports, we believe athletes tend to play for enjoyment and the lifelong lessons associated with acclimating to the goals of and developing relationships with members of different teams. High school sports help students learn other qualities related to sports and life. Athletics is a learning experience and all team members, regardless of ability, will be afforded the opportunity to develop intangibles. Pride, teamwork, self-discipline, self-sacrifice, work ethic, commitment, perseverance and sportsmanship are a few of the qualities besides winning that should come from high school athletics and will be essential throughout students' lives.

The experiences encountered during high school athletics should be enjoyable, positive ones. Athletes, coaches, and parents should work in a spirit of cooperation. The Fenwick Community has a higher level of expectation for students who compete in athletics and activities.

Coaches have a responsibility to define the educational curriculum of sports and activities in our school. The curriculum of standards and expected outcomes for our programs is NOT measured in wins and championships. Participation in athletic and activity programs is the other half of education.

The athletics program is designed to enhance the overall mission and philosophy of the school. The educational purpose of our athletic program is about more than teaching a young person a specific skill (i.e. hit a curve ball, serve a volleyball) or even earn a scholarship. To be sure, we all believe that athletics and activities teach teamwork, dedication to purpose, and playing within a set of rules. This will be our contribution to the education of our youth through our activities. This will not be alone, but in concert with other school experiences.

In addition to teaching the skills of a sport or activity, our curriculum will involve teaching skills that enhance the overall growth and development of our students, such as:

1. Learning to be a loyal teammate and one to be counted upon. This will manifest itself later in life by actions that distinguish a good neighbor.
2. Learning to do your best and give maximum effort. This will manifest itself later in life by actions that distinguish a good worker.
3. Learning to respect your opponent and one's own efforts. This will manifest itself later in life by actions that reflect in human behavior.
4. Learning to be honest and forthright with one's self and others. This will manifest itself later in life by accepting responsibility for their actions.

Through sports and activities, students learn to seek and to find, to strive, and to fail or succeed, to never yield and to accept the outcome, and to feel good about oneself. These are the core educational concepts, and they are all contained within the high school athletic/activities programs.

Sports and activities provide not only the opportunity to teach and learn respect for self and respect for others, they also place participants in a unique context -- competition -- that can further instill and hone values necessary for the development of respect for self and respect for others.

The Athletic Director, Mr. Scott Thies '99, is responsible for all matters pertaining to the athletics program including scheduling of contests, ordering athletic equipment, maintaining an inventory of all athletic equipment, and arranging transportation for all athletic contests. His extension is 343. Mr. Staunton Peck serves as an Assistant Athletic Director; his extension is 314. Mr. Gene Nudo also serves as an Assistant Athletic Director; his extension is 349.

Fenwick High School is a member of the Illinois High School Association (IHSA), the Chicago Catholic League (CCL), the Chicago Catholic Hockey League, the Girls' Catholic Athletic Conference (GCAC), the Illinois High School Lacrosse Association, the Metro Chicago Catholic Boys and Girls Aquatics Conference. The following inter-scholastic sports are offered at Fenwick:

Boys

Fall

Cheerleading
 Cross Country
 Football
 Golf
 Soccer

Winter

Cheerleading
 Basketball
 Bowling
 Hockey
 Swimming & Diving
 Wrestling

Spring

Baseball
 Lacrosse
 Rugby
 Tennis
 Track & Field
 Volleyball
 Water Polo

Girls

Locker Rooms

The boys' athletic locker rooms are located at the far south end of the boys' locker room area below the Lawless Gym. The girls' athletic locker areas are located at the west end of the field house gym.

Pool Locker Rooms

There are separate boys' and girls' locker rooms for the pool. These are to be used only by swimming, water polo athletes and those P.E. students using the pool for class. Students and/or athletes who use the pool MAY NOT change in other locker rooms and walk to the pool.

ABSOLUTELY NO FOOD AND/OR DRINK IS EVER ALLOWED IN ANY OF THE LOCKER ROOM AREAS. These locker rooms are set aside to house athletic gear. They are not to be used as academic lockers.

Managers

Managers are needed for all sports teams. Managing is open to all students who feel they can accept the responsibilities that go with the position and who would like to be part of a team. For more information on being a manager, please contact the Athletic Director.

Pre-Season Information

Prior to the start of practice for a sport, all students MUST turn in the following four forms to the offices identified:

1. **PHYSICAL EXAMINATION** – This form must be signed by a licensed physician. Incoming freshmen and transfer students use the required school entrance physical. A physical is valid for one calendar year from the date of the physical, therefore, it is recommended that physicals take place after June 1st. Physicals for freshmen are turned in to the Nurse's Office and physicals for sophomores, juniors, and seniors are turned in to the Athletic Director's office.
2. **EMERGENCY NOTIFICATION FORM** – This form is to be turned in to the School Office prior to the beginning of the school year.
3. **IHSA CONCUSSION INFORMATION FORM** – This signed form indicates you have read and agree with the IHSA policy and procedure outlined in the form.

CLEARANCE – No athlete will be allowed to begin officially practicing without having full compliance. The AD will not provide such clearance until the four forms indicated above have been properly completed and turned in.

Attendance at School

Students involved in athletics, clubs and/or organizations cannot practice, participate or compete in those activities/contests unless present for 75% of their scheduled school day on the day of the activity. If an activity/contest is held on a Saturday or Sunday, the student must be present for 75% of their scheduled school day on Friday. Students leaving the building sick, suspended or caught cutting class may not participate, practice or compete in any activities that day either.

1. If an absence during the day is due to a doctor or dentist visit, a note must be presented clearing the student to participate for that day: no exceptions.
2. If an athlete is absent from school because of illness, the athlete may not participate in a practice or a contest.
3. If an athlete leaves school because of illness during the day of a contest, the athlete will not be eligible to participate in a practice or a contest.
4. If an athlete is absent from school for reasons other than illness, the decision of eligibility will be left to the discretion of the Athletic Director or Principal.

All activities should end early enough for students to arrive home before the Oak Park curfew (Sunday–Thursday, 11 p.m. and Friday–Saturday, midnight).

Eligibility

Disciplinary

All students are expected to adhere to all school regulations and policies. Failure to do so may result in the athlete losing his/her privilege to participate in the school's athletic program.

Financial

Students with delinquent accounts, thirty (30) days past due, will not be allowed to participate in athletics until tuition is current.

Intimidation/Harassment/Bullying

Any action, word, or behavior that harasses, intimidates or causes physical, emotional or psychological harm to another person is strictly prohibited. This prohibited conduct also extends to the use of technology (cyber bullying) as a tool to harass or cause harm. Bullying is prohibited during any school-sponsored education program or activity; while in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for a school bus or at school-sponsored or school-sanctioned events or activities; or through the transmission of information from a computer, a computer network or other similar electronic equipment. However, this policy is not limited to conduct that occurs on the premises of the school.

Intimidation/harassment/bullying means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically (cyber bullying), directed toward another person that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing the person in reasonable fear of harm to his/her person or property;
 - Causing a substantially detrimental effect on the person's physical or mental health;
 - Substantially interfering with another student or students' academic performance; or substantially interfering with another student or students' ability to participate in or benefit from the services, activities, or privileges provided by the school.
- Intimidation/harassment/bullying may take various forms, including without limitation one or more of the following: threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property or retaliation for asserting or alleging an act of bullying. Examples of cyber bullying include

but are not limited to the use of email, websites, text messaging, electronic photos or videos and social media to harass or intimidate. These lists are meant to be illustrative and non-exhaustive. Such intimidation/ harassment/bullying actions are contrary to the philosophy of Fenwick High School and will NOT be tolerated in any form. Engaging in such an action will result in a detention, suspension, or expulsion at the school's discretion depending on the severity of the act or repeated acts. Additional athletic department consciences for such actions include the following:

1st Offense: Suspension from participation in all regular-season contests for two (2) weeks of the competitive season. Students are expected to attend practices and games, but cannot participate.

2nd Offense: Suspension from participation in all regular-season contests for 50% of the competitive season, which could result in the consequences being served over two (2) seasons. Students are expected to attend practices and games, but cannot participate.

Training Rules

Student athletes at Fenwick High School are held to a higher standard than other students regarding the illegal use of drugs as well as other illegal acts. As such, additional consequences for violations of the tobacco, alcohol and other drug regulations and other illegal acts are applicable.

The following rules and regulations are in effect under the following conditions: Any student who is a participant in any of the school-sponsored sports, academic teams or other IHSA-sponsored events shall be subject to all rules written in this code. These rules apply twenty-four (24) hours a day, seven (7) days a week, twelve (12) months of the year, in school or out of school. There are no exceptions.

Drug Use, Alcohol, Tobacco, Steroids, Performance-Enhancing Supplements & Other Drugs

Students are prohibited from using or being under the influence of alcohol or drugs while at school or any school-related function. Included within the prohibitions set forth in this policy are the following:

- Use or possession of drug paraphernalia or alcohol on school premises or with respect to school-related activities;
- Storing in a locker, desk, automobile, or other repository on school premises or in connection with any school-related activity any drugs, drug paraphernalia, and/or alcohol;
- Being under the influence of drugs or alcohol on school premises or in connection with any school-related activities.

The school reserves the right to require a student to undergo testing for the use of alcohol and/or drugs when a reasonable suspicion of such use exists. A "reasonable suspicion" of drug and/or alcohol use may be based upon the observation of the student's behavior, information received regarding alleged alcohol or drug use, and/or other indicia giving rise to a suspicion of a violation of this policy. If a student is found to

be under the influence, in possession of, or distributing alcohol or drugs, the student will be required to have an assessment done, in addition to the requirement that any and all recommendations from the assessment be completed. A student's failure to cooperate in testing required by this policy, following/ completing any and all recommendations, or other violations of this policy may result in disciplinary action up to and including expulsion from the School. Administration of this policy also includes the following:

Specific Rules in Regard to Use and/or Possession of Such Drugs, Illegal Supplements, Drug Paraphernalia, Etc.

A Student Athlete will not use, possess or deliver/distribute alcohol, illegal or illicit drugs, inhalants, drug paraphernalia or tobacco products in any form.

In addition to the procedures and sanctions applying to all students regarding incidents involving alcohol or other drugs (refer to Student Behavior 1.), the following conditions apply to those students who accept the privilege of representing the school. Note: In each level of offense, an alcohol or drug assessment will be required along with the absolute completion of all recommendations.

1. First Offense

- The student shall be immediately ineligible for extracurricular and co-curricular activity participation for 20% of that activity's program. The student's ineligibility may continue into the student's next extracurricular and co-curricular activity or season of participation.
- A letter of discipline and activity suspension shall be permanently placed in the student's discipline file.

2. Second Offense

- The student who again violates the extracurricular and co-curricular contract shall be immediately ineligible for participation. The Dean of Students, in consultation with the Administration, shall determine the student's eligibility for extracurricular activities.

3. Third Offense

- The student who violates the extracurricular and co-curricular activity contract for a third time shall be dismissed from participation for the remainder of his/her high school tenure for all activities.
- The student forfeits eligibility for any school awards and/or letters for that season or participation.

Violation of any of the conditions of the extracurricular and co-curricular activity contract will be cause to enact disciplinary procedures as outlined by Fenwick High School.

Violations:

1. Confirmed involvement in the use, distribution, or possession of smoking tobacco and/or smokeless tobacco products.
2. Confirmed involvement in the use, distribution or possession of alcoholic beverages, other illegal drugs, steroids and/or controlled (prescribed) substances.
3. Confirmed involvement in acts of vandalism, violence, theft, or any act considered unlawful in any legal jurisdiction
4. Confirmed involvement as a participant at a party or gathering at which

illegal activities are occurring. The student will be considered a participant should s/he fail to leave the premises once s/he becomes aware of these illegal activities.

Confirmed involvement: Any student apprehended or cited by law enforcement authorities or witnessed by, reported and verified by any school official (administrator, faculty member, coach) shall be considered in violation of the stated rules.

Any student who sells, manufactures or distributes drugs, or otherwise deals such drugs to other students will be suspended until they appear in front of the Discipline Board.

Equipment

1. The school attempts to provide the best and safest equipment money can buy. Each athlete is expected to take excellent care of this equipment. This includes laundering uniforms. If the equipment needs repair any time during the season, the athlete should notify the coach as soon as possible.
2. The original equipment and uniform issued must be cleaned and returned by the athlete within one week of the close of the season.
3. The athlete must accept full responsibility for equipment or uniforms issued by the school. If they are lost or anything is damaged, she/he must pay the school for its replacement.
4. When an athlete completes a sport season, he/she will have one week from the final contest to return issued equipment to the coach. An athlete who does not return or pay for lost equipment or uniforms will be charged for the replacement cost.

Facilities

1. Coaches' offices are for coaches. No student/athlete should be in a coaches' area unattended or uninvited.
2. The training room is off limits unless attended by the athletic trainer.
3. Weight room facilities are only to be used under the direction and supervision of the athletic strength and conditioning staff.
4. Penalty for being in restricted areas uninvited or unsupervised may result in disciplinary action.
5. Vandalism -- See Student Behavior

Athlete Conduct & Standards of Sportsmanship

1. Student/athletes are to maintain all standards of behavior identified in the student handbook. School pride, loyalty, sportsmanship, and respect toward the opponent and the opponents' school should always be displayed.
2. The following rules are in effect:
 - a) Use good judgment, be responsible, and show respect for person and property.
 - b) Be respectful to all adults and be cooperative in following the instructions of coaches.

- c) Display outstanding modesty in victory and graciousness in defeat.
 - d) Respect and acknowledge the integrity/judgment of officials.
 - e) Demonstrate outstanding restraint from the use of profanity or displays of anger.
 - f) Exhibit positive behavior with opponent fans and teams before, during, and after the contest.
 - g) Maintain a good reputation as a representative of the school.
3. Team members not living up to the highest standards of personal conduct and sportsmanship will be suspended from further competition by administration and/or coaches.

Parent/Coach Communication

Parent/Coach Relationship

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to children. As parents, when your children become involved in our program, you have a right to understand what expectations are placed on your child. This begins with clear communication from the coach of your child's program.

Communication You Should Expect from your Child's Coach

1. Philosophy of the Coach
2. Expectations the coach has for your child as well as the players on the team
3. Locations and times of practices and games
4. Team requirements; fees, special equipment, weight lifting
5. Procedures to be followed should your child be injured during participation
6. Student misconduct that results in the denial of your child's participation

Communication Coaches Expect from Parents

1. Concerns should be expressed directly to the coach
2. Notification of any schedule conflicts well in advance
3. Specific concern with regards to a coach's philosophy and/or expectations

Appropriate Concerns to Discuss with Coaches

1. The treatment of your child -- mentally and physically
2. Ways to help your child improve
3. Concerns about your child's behavior

Communication Matters Left to Discretion of the Coach

1. Playing time
2. Team Strategy
3. Play calling
4. Other student-athletes

These are delicate topics. Coaches are professionals. They make judgment decisions based on what they believe to be best for all the students involved. While you may have differing opinions than that of the coach with regards to the four topics above, you should follow the procedure that is listed below.

Protocol for Communication with Coach and Athletic Director

1. Student-athlete should talk directly to coach about concerns
2. Parents call to set up a meeting with coach
3. Parents and coach meet to discuss concerns
4. Parents call Athletic Director Scott Thies at 708-386-0127 ext. 282 to set up a meeting
5. Parent and athletic director meet to discuss concerns

Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and coach. Meetings of this nature do not promote resolution. The Athletic Director should be involved only if student-athlete, parent and coach meetings do not provide a satisfactory resolution.

Parent/Guardian Guidelines

1. Be supportive of the team, the participants, and the coaches.
2. Help the participant follow and uphold the training rules and team policies.
3. Learn the basic rules and strategies of the sport to gain a better understanding of it.
4. Because sportsmanship begins with you, we ask that you exhibit good sportsmanship at all times. Your admission to a contest is to watch the performances of the student athletes—not a license to abuse officials, coaches, players, or other spectators. Please be a positive role model for all of our student athletes.
6. Bring any questions or problems concerning your son/daughter to the attention of the coach involved. Communication is of utmost importance for all of us to operate in a cohesive team manner.
7. Parents are reminded that pets are not allowed on school grounds for any outdoor athletic event.

IHSA Rules

IHSA/Fenwick High School Expectations of Student/Adult Fan Behavior

Fenwick High School is a registered participant and supporter of the IHSA *Do What's Right!* Program. As such we are committed to the promotion and display of good sportsmanship from our student athletes, coaches, parents, and fans. Fenwick High School Catholic/IHSA Do What's Right! Expectations:

- Represent the school and community through positive interaction with opposing fans and players.
- Use positive cheers, chants, songs or gestures.
- Display modesty in victory and graciousness in defeat.
- Respect and acknowledge the integrity/judgment of officials.
- Exhibit positive behavior before, during and after the contest.

- Fans are not to use artificial noisemakers at any indoor events.
- Fans are not to use whistles, horns, sirens, etc. at any outdoor or indoor events.

Students found in violation of these expectations will face disciplinary consequences ranging from detention to suspension for attending athletic events.

IHSA ATHLETIC BYLAWS 2019-20 SCHOOL YEAR

2.180 TRAVEL POLICY

School teams may travel out of state any distance provided the participating students miss no more than two school days, including travel to and from the competition. The number of instances that any single school team can use this provision is limited to two occasions per school year.

No 3.000 ATHLETIC ELIGIBILITY BY-LAWS

Included in this Section: 3.000 Athletic Eligibility By-laws

3.010 Attendance

3.020 Scholastic Standing 3.030 Residence

3.040 Transfer

3.050 Participation Limitations

3.060 Age

3.010 ATTENDANCE

3.011 A student must attend a member school and may only represent in interscholastic competition the member school the student attends. For purposes of this by-law, the term "attend" shall mean that the student is enrolled at the member school, and is taking at, or under arrangements approved by the member school, a minimum of twenty-five (25) credit hours of work for which credit toward high school graduation will be granted by the member school upon the student's completing and passing the courses. The school which enrolls the student shall be exclusively responsible to verify the student's compliance with all of the eligibility requirements of all IHSA by-laws. The Board of Directors shall have the discretion to waive the requirement of this by-law for the Illinois schools for the deaf or blind. In unit systems having a 6-3-3 or 6-4-2 type of organization, ninth grade students may participate on senior high school athletic teams at the member high school in the district designated by the Board of Education, provided: (a) such participation is approved by the district's superintendent of schools; (b) the senior high school principal shall certify that the ninth grade students: (1) are eligible under the requirements of these By-laws, (2) are students at a junior high school located in the district which supports the senior high school, and (3) are not members of a grade or junior high school team in the same sport; and, (c) the senior high school principal assumes full responsibility for the conduct of these students during all athletic contests in which they represent the senior high school.

3.012 They shall have been enrolled and in attendance not later than the beginning of the eleventh school day of the semester. Exception may be considered only if written verification that delay in enrollment or attendance is caused by illness of the students or their immediate family or by other circumstances deemed acceptable by the Board of Directors which are submitted to the Executive Director for presentation to the Board of Directors.

3.013 Including a student's name on school attendance records for a period of ten (10) or more school days during any given semester, beginning with the date of the student's first physical attendance and ending with the date of the student's official withdrawal from school, shall constitute a semester of attendance for the student.

3.014 If a student does not attend school for ten (10) days in a semester, as defined in Section 3.013, but participates in any interscholastic athletic activity, the student shall be considered to have completed a semester of attendance, unless withdrawal from school occurs prior to completion of ten (10) days attendance and is necessitated by disabling illness or injury which is certified by a physician. **3.015** They shall not have any lapse of school connection during any given semester of greater than ten consecutive school days. Lapse of school connection for greater than ten consecutive school days shall render them ineligible for the remainder of the entire semester. Exceptions may be considered only if written verification that lapse in school connection is caused by illness of the students or their immediate family or by other circumstances deemed acceptable to the Board of Directors which are submitted to the Executive Director for presentation to the Board of Directors.

3.016 Absence of students required by military service to state or nation in the time of any state of national emergency shall not affect students' eligibility.

3.020 SCHOLASTIC STANDING

3.021 They shall be doing passing work in at least twenty-five (25) credit hours of high school work per week. Physical Education can be used as a .50 credit class to meet the 25 credit hour requirement, even if the member school is giving academic credit less than .50 or no credit at all. Students must be passing Physical Education in order to use the class towards academic eligibility. Schools that offer only five classes per day may request a waiver annually from the IHSA Board of Directors to require the passing of at least twenty (20) credit hours of high school work per week to be eligible for participation.

3.022 They shall, unless they are entering high school for the first time, have credit on the school records for twenty-five (25) credit hours of high school work for the previous semester. Such work shall have been completed in the semester for which credit is granted or in a recognized summer school program which has been approved by the Board of Education and for which graduation credit is received. Physical Education can be used as a .50 credit class to meet the 25 credit hour requirement, even if the member school is giving academic credit less than .50 or no credit at all. Students must be passing Physical Education in order to use the class towards academic eligibility. Schools that offer only five classes per day may request a waiver annually from the IHSA Board of Directors to require the passing of at least twenty (20) credit hours of high school work for the previous semester to be eligible for participation.

3.023 They shall not have graduated from any four-year high school or its equivalent.

3.024 Passing work shall be defined as work of such a grade that if on any given date a student would transfer to another school, passing grades for the course would immediately be certified on the student's transcript to the school to which the student transfers. **3.025** Work taken in junior college, college, university, or by correspondence may be accepted toward meeting the requirements of this Section provided it is granted credit toward graduation from high school by the local Board of Education.

3.030 RESIDENCE

A student's eligibility is contingent upon the student meeting the applicable criteria from Sections 3.031-3.034 below. Except as provided in Section 6.010 of these by-laws, a student who does not comply with the applicable provisions of Sections 3.031-3.034 of these by-laws shall be ineligible for a period not to exceed 365 days. Once a student has attended high school, any change of the school attended by the student shall subject that student to the requirements of the rules applicable to transfers under Section 3.040 of these by-laws and its subsections.

3.032 Private School Students: Students attending private member schools shall be eligible at the private high school in which they enroll, provided:

3.032.1 They reside full time with their parents, custodial parent or guardian appointed by a judge of a court having proper jurisdiction, or they currently and for at least the last two years prior to the student's enrolling in high school, have lived with another family member or relative who has provided full support and adult supervision for the student, as though they were the guardian, within the boundaries of the public high school district in which the private high school they attend is located; or

3.032.2 They reside full time with their parents, custodial parent or guardian appointed by a judge of a court having proper jurisdiction, and have attended private schools on a continuous basis for the last two consecutive school years before entering high school or for a total of not less than four school years from kindergarten through eighth grade; or

3.032.3 They reside full time with their parents, custodial parent or guardian appointed by a judge of a court having proper jurisdiction, and attend the private member school attended by one or both of their parents; or

3.032.4 They reside full time with their parents, custodial parent or guardian appointed by a judge of a court having proper jurisdiction, in a residence located within a thirty (30) mile radius of the private member school they attend.

3.032.5 In the event a student who resides full time with his/her parents, custodial parent or guardian appointed by a judge of a court having proper jurisdiction, attends a private school but does not comply with the provisions of by-laws 3.032.1-3.032.4, or in any other circumstance in which a student attends a private school but does not comply with the provisions of by-laws 3.032.1-3.032.4, the student(s) shall not be eligible and shall not participate in an interscholastic contest until a ruling on their eligibility is made by the Executive Director.

3.040 TRANSFER

3.041 In all transfer cases, both the principal of the school from which the student transfers and the school to which

the student transfers must approve of the transfer and execute a form provided by the IHSA Office. This form is to be initiated and signed by the principal of the school to which the student transfers and provided to the principal of the school from which the student transfers for signature by that principal. The concurrence of the principals accepting a transfer shall not be determinative of eligibility or binding on the Executive Director and/or the Board of Directors who shall have the discretion to investigate the accuracy of such conclusion and to override the acceptance of a transfer if evidence of violation or avoidance of non-compliance with any by-law, or recruiting in connection with the transfer is found. A student is not eligible to participate in an interscholastic contest until the transfer form, fully executed by both principals, is on file in the offices of the school to which the student transfers.

3.042 After the official start date of an IHSA sport season for the current school year, if a student changes attendance from that high school to another high school, the student shall be ineligible for the remainder of the school year in any sport in which he/she participated or was participating in a practice or interscholastic contest in the current school year at the school from which the transfer occurs; or Once classes begin in a school for the current school year, if a student changes attendance from that high school to another high school, the student shall be ineligible for a period of thirty days, commencing on the first day of attendance at the new high school, in any sport in which he/she was not participating or had not participated during the current school year at the school from which the student transferred. 3.043 In addition, a student who transfers attendance from one high school to another high school pursuant to these by-laws, shall be ineligible unless:

3.043.1 The student transfers attendance in conjunction with a change in residence by both the student and his or her parents, custodial parent, surviving parent (in the case of a student with one deceased parent), or guardian from one public high school district to a different public high school district; or

3.043.2 The student transfers attendance from one public high school in a school district which supports two (2) or more public high schools to another public high school in that school district, and the transfer is in conjunction with a change in residence by both the student and his or her parents, custodial parent, surviving parent, or guardian to a residence within the boundaries established by the governing board of the school district for the high school to which the student transfers; or

3.043.3 In the event the student transfers attendance from any high school to any other high school, and the transfer is not in conjunction with a change in residence by both the student and his or her parents, custodial parent, surviving parent, or guardian to a residence outside the boundaries of the public school district attendance area the family originally resided in, the Executive Director may grant eligibility based on documentation that the transfer met one of the following conditions:

- The student is enrolling for the first time in the student's home public member high school with boundaries; • Change in family's financial position; • Extenuating circumstances documented by the sending school's principal or official representative; • Limited eligibility may be granted when the student transfers schools prior to the beginning of the student's sophomore year.

3.043.4 The student, who is a child of divorced or legally separated parents, transfers attendance from one high school to another in conjunction with a change in legal custody between the parents by action of a judge of a court of proper jurisdiction, and a change in the student's residence from the former custodial parent to the parent to whom custody has been awarded by the court, provided that a copy of the petition and the court order so changing custody is on file with the principal of the high school to which the student transfers.

3.044 The student, who (a) is an orphan; (b) is a child of divorced, legally separated, or unmarried parents with respect to whom there has not been a change in custody ordered by a court of proper jurisdiction; or (c) is a ward of the state who transfers attendance from one high school to another high school, shall be subject to the eligibility provisions of Sections 3.043.1- 3.043.3 as if the student resided with his/her parent(s), provided that following the transfer, the student continues to reside with the same family, foster family, group home or other unit or entity after the transfer as prior to and at the time of the transfer.

3.045 In the case of a student who transfers attendance from one high school to another in conjunction with the adoption of the student after the student has entered high school for the first time, or a change in guardianship of the student by order of a court of proper jurisdiction, the student shall be ineligible pending a ruling by the Executive Director. In such cases, the Executive Director may grant eligibility only if it is determined, after investigation, that the circumstances giving rise to the change of guardianship or adoption and the transfer were completely beyond the control of all of the following: (1) the student (2) the student's parent(s)/guardian(s) (3) the schools to and from which the student transferred. Any action, inaction, or voluntary or self-initiated decision of the student, parent/guardian or the school to or from which the student transfers, or any one or more of them, which results in, affects, causes or pertains to the transfer shall not be considered to be "circumstances completely beyond the control." The student may practice, but shall not participate in an interscholastic athletic contest until a ruling on the student's eligibility has been made by the Executive Director.

3.046 In all other circumstances involving a transfer, the student shall be ineligible pending a ruling by the Executive Director. In such cases, the Executive Director may grant eligibility if it is determined after investigation that the circumstances giving rise to the transfer were completely beyond the control of all of the following: (1) the student (2) the student's parent(s)/guardian(s) (3) the schools to and from which the student transferred. Any action, inaction, or decision of the student, parent/guardian or the school to or from which the student transfers, or any one or more of them, which results in, affects, causes or pertains to the transfer shall not be considered to be "circumstances completely beyond the control." The student may practice, but shall not participate in an interscholastic athletic contest until a ruling on the student's eligibility has been made by the Executive Director.

3.047 The member school to which a student transfers shall enforce any period of ineligibility imposed or that would have been imposed upon the student by the school from which the student is transferring, even if the student is otherwise eligible under these by-laws. The period of ineligibility at the school to which the student transfers shall be the remaining duration of the period of ineligibility imposed or that would have been imposed had the student not transferred, but not longer than 365 days after the date of the transfer, whichever is less.

3.050 PARTICIPATION LIMITATIONS

3.051 After they enroll in the ninth grade, students shall be eligible for no more than eight (8) semesters. They shall not be eligible for more than the number of semesters for which their school is recognized by the Illinois State Board of Education.

3.052 Their last two (2) semesters of possible eligibility shall be consecutive. Other semesters of possible eligibility need not be consecutive.

3.053 After becoming a student in ninth grade, the student shall not be eligible for more than four (4) consecutive school years of competition in any sport.

3.054 Any student in a member school, eligible in all respects under the terms of these By-laws, may be entered to represent that school as an individual in Association-sponsored meets or tournaments under the terms and conditions for that particular event. However, only schools which have an established school team which has engaged in at least six (6) interscholastic contests in that sport during the current season or, in the case of boy's baseball, boys golf, boy's tennis, girl's softball, girls golf, and girl's tennis, during the preceding IHSA recognized season in that sport, may participate in team competition in Association-sponsored meets or tournaments.

3.060 AGE

3.061 A student shall be eligible through age nineteen (19) unless the student shall become twenty (20) during a sport season, in which event eligibility shall terminate on the first day of such season (as the season is defined in Section 5.000 of these By-laws).

***THE COMPLETE IHSA RULES AND BYLAWS HANDBOOK CAN BE FOUND ON THE IHSA WEBSITE AT:**
www.ihsa.org/AbouttheIHSA/ConstitutionBylawsPolicies.aspx

INSTITUTIONAL ADVANCEMENT

The Institutional Advancement Department (IAD) at Fenwick exists to advance the mission of Fenwick High School. It does this by primarily focusing on activities that are external to Fenwick's most important mission—providing a first class, college preparatory education in a safe, orderly, values-based environment to your children—but are vital to the long-term strength and vitality of a private, Catholic high school.

These activities include marketing and communications, alumni relations, events, honors and awards and philanthropy.

MARKETING COMMUNICATIONS – The marketing communications (MarCom) team provides both internal (within the school) and external (within the broader Fenwick community and the public) communications about Fenwick and its many activities. Among other things, but especially pertinent to students and parents, MarCom works closely with the admissions office, is responsible for twice weekly publication and distribution of the Fenwick Bulletin, is responsible for the school website and monitors and creates content for all social media.

ALUMNI RELATIONS – Fenwick alumni are a vital part of the Fenwick community. The formal education of a Fenwick student does not end with a graduation, but rather a commencement ceremony, because Fenwick prepares students for life. Life beyond Fenwick includes becoming part of a 15,000+ alumni/ae network that is a professional and personal asset for the rest of a student's life. The alumni relations team stays in regular contact with our alumni and initiates regular programming, including annual reunions, networking, social and service opportunities, to keep our former students engaged and connected with Fenwick and each other.

EVENTS/HONORS/AWARDS – In an effort to strengthen community within the diverse Fenwick constituency—parents and families, alumni, alumni parents, faculty, staff and administration—the IAD organizes and sponsors many events throughout the year. These include golf outings, the Blackfriars Gala and many smaller, but impactful, events. The IAD is also responsible for recognizing and honoring disparate members of the Fenwick community through such honors and awards as the Fenwick Hall of Fame and the Lumen Tranquillum. Members of IAD also act as liaisons with the Fenwick Mothers' and Fathers' Clubs to help facilitate their activities within the parent community.

PHILANTHROPY – Catholic secondary education is primarily funded through tuition, but philanthropy plays a vital role in securing the strength and vitality of Fenwick. The IAD seeks philanthropic support from the entire Fenwick community to help fund annual operating expenses (tuition does not cover the entire operating budget), capital improvements, tuition assistance and endowment.

The IAD does all of this in keeping with the four core spiritual values of the Dominican Order: prayer, preaching, study and community.

For further information and/or to make a donation to Fenwick, please go to: <https://www.fenwickfriars.com/institutionaladvancement/>

Vice President of Institutional Advancement – Mr. Chris Ritten

Development Associate: Ms. Kristyn Rein
Administrative Assistant: TBA

Fenwick Fundraising Policy

Context

In the tradition of St. Dominic and the founding members of the Order of Preachers -- mendicant preachers relying on the generosity of others for their livelihood -- Fenwick High School has always relied on the largesse of benefactors to sustain our mission. We simply could not do what we do or be who we are without the generosity of others. As part of our vision to educate students who will become “compassionate leaders, committed to justice and peace in a changing global society,” we are also keenly aware of the desire of Fenwick community members -- students, parents, faculty, staff and administration, alumni and others – to support local, national and global causes in response to humanitarian crises, societal problems or the many injustices in our world today.

As the needs of the broader community have grown, so too have the institutional needs of Fenwick; and as the number of fundraising opportunities have proliferated to address broader community needs, Fenwick is at risk of diluting the very generosity that sustains our mission.

With so many worthy causes to consider, “competition” and confusion can develop within the Fenwick community as to which causes are “most important.” Our community members can also feel like they are constantly being “nickeled and dimed.” This is not in the best interest of our institutional advancement efforts, nor in the best interest of our dedicated students, parents, faculty, staff, administration and alumni who want to make a difference in the world by raising money for certain causes.

Rationale

The goal of this policy is to clarify what is expected of any and all groups or individuals within the Fenwick community who want to “fundraise” for a Fenwick internal cause or a cause external to Fenwick. This includes advertising, sponsorships, the sale of goods or services and outright monetary solicitations.

It is also meant to more closely align Fenwick’s non-institutional fundraising efforts with the efforts embraced by Fenwick’s Theology Department to enhance our service

(community) pillar of Dominican formation through partnership with Catholic Charities – Archdiocese of Chicago.

We hope that by establishing this procedure:

- this encourages academic departments, teams, clubs and activities who regularly fundraise as an add-on to their budget to strongly consider their underlying budgetary needs and discuss those needs with the appropriate administration member(s);
- Student groups that have similar interests might join forces to leverage their opportunities;
- there will be less competition and confusion among the various groups raising funds and potential donors/supporters;
- the Fenwick community will not feel “nickel and dimed;”
- there is greater awareness of the potential implications for institutional fundraising.

Areas of Fundraising/Sponsorship/Advertising

This policy addresses the areas of “fundraising,” sponsorship and advertising that typically occur during a school year:

- 1) Student clubs, activities or teams soliciting money, donated goods or services, advertising or sponsorship within the school for their own club, activity or team.
- 2) Student clubs, activities or teams soliciting money, donated goods or services, advertising or sponsorship within the school for causes external to Fenwick.
- 3) Faculty, staff, club or activity moderator, coach or parent soliciting money, donated goods or services, within the school community, including parents, for a cause external to Fenwick.
- 4) Faculty, staff, club or activity moderator, coach or parent representing Fenwick soliciting money or donated goods or services, advertising or sponsorship, inside or outside the school community, including parents, for an internal club, activity, academic program or team.

This list is not meant to be comprehensive. It is meant to be representative of the types of “traditional” fundraising activities that take place at Fenwick. However, “fundraising” is meant to be a comprehensive term covering all solicitations or requests for monetary contributions, donation of goods or services, advertising, sponsorships, etc.

Procedure

Any and all groups, clubs, teams, activities or individual teachers, administrators, moderators, coaches or parents who want to initiate a “fundraising” campaign in any form must submit a written request to the appropriate personnel at least one month prior to initiating their fundraising activity -- and must receive written approval to do so. The appropriate personnel to submit a request to – in keeping with the fundraising “areas” listed above -- are as follows:

- 1) This is no longer a permissible activity. A team, club or activity that wants to raise money for its own team, club or activity may no longer solicit the student body at large. It may solicit support from, and only from, the registered members of that team, club or activity to support their own team, club or activity.
- 2) Any student initiated effort to support a cause external to Fenwick must submit a written request to the Director of Christian Service Project, Brother John Steilberg, O.P.
- 3) Any adult initiated effort to support a cause external to Fenwick, including the use of

Fenwick students as volunteers, must submit a written request to the Director of Christian Service Project, Brother John Steilberg, O.P.

4) Any adult or student initiated effort to support an internal Fenwick academic department, program, activity, club or team from "outside" the school (including parents) must submit a written request as follows:

- If the expected "ask" is for monetary solicitations or donated goods or services – a written request must be submitted to the V.P for Institutional Advancement, Chris Ritten
- If the expected "ask" involves advertising of any kind, corporate sponsorship of any kind and/or entering any contractual arrangement, a written request must be submitted to the COO, Nancy Bufalino

The school directory, other school lists, the website and other e-communication, including the Fenwick Bulletin and the intra-school faculty/staff email list, cannot be used for fundraising purposes unless it has been approved through the aforementioned process. As per the Electronic Communications policy, "under no circumstances shall such communication tools [phone, email, text, etc.] be used for personal gain, to solicit others for activities unrelated to Fenwick's business" without written approval from the proper authority.

No "traditional" fundraising activities will be "grandfathered" permission. All groups, activities, clubs or teams that routinely hold regular fundraising activities are required to submit a written request for approval.

This policy is effective July 1, 2018.

FINANCIAL INFORMATION 2019-20

Tuition & Fees

Tuition: \$16,400

Fees:

Grades 9–11 Academic Fee:	\$175
Senior Fees:	
Graduation Fee	\$375
Kairos Retreat Fee	\$295

A \$500 deposit (\$250 for incoming freshman and financial aid students) is due at the time of the annual enrollment process. \$250 is non-refundable (\$125 for a \$250 deposit) if you withdraw your child on or before May 1st. After May 1st, the deposit is non-refundable.

Tuition must be current to re-enroll for the next school year.

All families must enroll in Smart Tuition. Fenwick High School partners with Smart Tuition to help manage the tuition payment and collection process. Information about Smart Tuition can be found on their website at www.smarttuition.com.

All tuition must be paid in full by April 2020 to sit for final exams, participate in graduation ceremonies, prom, athletics and other activities.

Billing Questions: Ms. Sharon Bolden studentbilling@fenwickfriars.com, 708-948-0344

Payment Options

All Payments can be made securely online via Smart Tuition
[www.https://parent.smarttuition.com](https://parent.smarttuition.com)

Payment in Full: Due July 5th or 20th, 2019. Pay via your Smart Tuition account; Credit card payments are assessed a 2.85% convenience fee.

4 Installments: An ACH payment will be drawn according to your schedule set up with Smart Tuition on the 5th or 20th of July and October 2019, and January and April 2020

10 Installments: An ACH payment will be drawn according to your schedule set up with Smart Tuition on the 5th or 20th of the month July 2019 through April 2020

Withdrawal Process

- The Registrar should be contacted first with the intent to withdraw. The Registrar is located in Student Services.
- The Registrar will notify the class counselor.
- The Registrar will supply the parent/ guardian with the withdrawal forms.
- Once the signed withdrawal forms are received, the Registrar will route the forms to the departments to be signed off on.
- The completed forms will be forwarded to the Principal for his/ her signature.
- Once returned to the Registrar, the student's official records will be sent to the designated receiving institution. (Tuition account must be current.)
- The Registrar will then notify all designated parties that the student has officially withdrawn.

Late Payment Policy and Exclusion from Class

Students with delinquent accounts will not be allowed to attend classes, participate in student activities such as prom, graduation, and athletics and/or sit for semester exams until tuition is current.

Parents/Guardians will be given prior notice of exclusion. A student who reports to school on the first day of exclusion will be sent home, after a parent/guardian is contacted. When the student returns to school, he/she is to report to Student Services and obtain an admit slip before going to class. Days of absence due to exclusion are considered excused.

All tuition, fees, fines and uniform returns must be resolved before the student may sit for final exams.

Parents/Guardians with an outstanding balance will not be allowed to enroll students or receive academic schedules for the following school year until an account is brought current.

Tuition Refund Policy

When a student is accepted at Fenwick, it is assumed she/he will remain at Fenwick for the full school year. Teachers are hired and classes are scheduled based on the anticipated number of students who enroll for the current school year. Nevertheless, we recognize that there will be circumstances that will result in a student withdrawing from Fenwick. All tuition refunds will be evaluated on a case-by-case basis by the Chief Operating Officer and the Director of Finance and Accounting.

Tuition deposits are refundable less a \$250 fee (\$125 for a \$250 deposit) on or before May 1.

Annual Enrollment Process

Parents and guardians are required to re-enroll their student(s) annually. You will receive an online invitation annually in February with a unique code and instructions on how to enroll your student(s). A deposit for the following school year is required to be submitted with your online form in order for your student(s) to be considered re-enrolled for the following school year. You will not receive your enrollment invitation if you have a delinquent tuition account.
