

*Our son has been very well supported by Fenwick's Learning Resource Program and especially by Mrs. Grace David. He is a very dedicated student and works very hard for every grade. Having ADHD makes his task even harder. Fenwick has been great about providing extra time for tests and finals for him. The extra time is crucial for him. All of his teachers have supported the extra time. He knows all he needs to do is speak with each teacher about the time he needs and they will make it happen for him.*

*We have never had to worry that Fenwick would not help our son get the "tools" he needed.*
